PROCEDURAL MOTION

ALTERATION OF THE COUNTY ASSEMBLY CALENDAR

Hon. Elias Otieno: THAT, pursuant to the provisions of Standing Order 29 (4), this Assembly resolves to alter the Calendar of the County Assembly and adjourn today, Wednesday, 25th September, 2019 until Tuesday, 8th October, 2019.

Members are supposed to travel; some are travelling to committees and sports. Players must have time to practice and all members will travel to Eldoret as agreed. We also have several committees that are supposed to go to Mombasa. For us to cut costs, let the Chairman of Water transfer that committee sitting from Mombasa to Kisumu. As a member, I want the chair---

Hon. Deputy Speaker: Hon. Otieno, you are supposed to move, why are you diverting the attention of members?

Hon. Elias Otieno: Mr. Speaker, I had already moved the motion. I call upon the Chief Whip to second.

Hon. Waithera Chege: Thank you, Mr. Speaker. I wish to second and also take this opportunity to wish all teams success in the upcoming County Assemblies Sports Association (CASA) games. Thank you.

(Question proposed)

Hon. Jeremiah Themendu: Thank you, Mr. Speaker. I rise to support the motion. I think it is time as whole House we go to Eldoret and support our teams. I think they are all prepared. The other time they were broke and didn't reach semifinals. For now, I think they will build their team. I will be very happy visiting Eldoret. It will not be my first time there as I was there learning in some institution. I will be very happy visiting the area.

Hon. Deputy Speaker: Hon. Gari. We have not any word from you for long.

Hon. Maurice Gari: Thank you, Mr. Speaker, I rise to support the adjournment of this Assembly from Wednesday 25th September to 8th October.

Sports event bring people together and this time around I am proud all of us are going. Also the Minority Leader is going to play. I hope if he comes back, he shall be as fit as a fiddle. Even the Speaker, I have never seen him in the field, he should come and jump then we make friends. I beg you call the mover to reply.

Hon. Joseph Ndonji: Thank you, Mr. Speaker. I rise to support the motion except the old ones like 'Mo fire' who should not enter the field. I tried last time and dislocated my leg. We leave it to the likes of Hon Ronald. Hon. Mbatia is also a good player. Hon. Kados should not try (*Laughter*), and Mr. Speaker should not try unless you want to break your leg. We leave it to the young turks. Thank you.

Hon. Cecilia Ayot: Thank you, Mr. Speaker, I rise to support the adjournment motion. On same breadth, I want to congratulate the leadership of the entire Assembly for allowing all legislators to have this opportunity to go and do some exercise so as to release the many tensions we are bearing with especially the many projects.

I wish to correct the hon member who just said no team succeeded. I wish to remind him that I was one of the best players of the tug of war team and we are the defending champions. We have won for the last two consecutive years. This is to remind you that when you fail to appreciate and honour efforts of your members, you forget the achievements that made. It is my humble request that this House puts into consideration that we are the only team that has brought a cup to this city two times. Thank you.

Hon. Deputy Speaker: Hon. Leah Naikanee Supuko.

Hon. Leah Supuko: Thank you, Mr. Speaker and for pronouncing my name today well. I also want to join my colleagues by supporting the motion for adjournment and to urge the old people here that even if you are old, you still need to be fit. They should join the teams in keeping fit because fitness is for everybody. It is not only for the young. I also like to wish my volleyball team all the best and I promise the House we shall bring the cup to the Assembly.

Hon. Deputy Speaker: Hon. Emilly Ondeje Oduor,

Hon. Emily Oduor: Thank you, Mr. Speaker and thank you for calling me with all my names. I can see you are doing a lot of justice to us. I would like to support this motion and at same time appeal to members to show up in Eldoret and cheer us up especially us the players. We go there as other teams have carried their cheering squads but for Nairobi we only have a few and after three days we have lost our voices.

Hon Jeremiah, the reason why sometimes we lose is because we don't have the cheering squad. We don't have the moral support. I appeal to the leadership to be there and support us. Don't just walk around with the beautiful ladies from the other counties and you forget we are there and playing. With that, I support the motion.

Hon. Deputy Speaker: Hon. Kennedy Omondi Obuya.

Hon. Kennedy Obuya: Thank you, Hon Speaker. My fellow senator 'Mo fire' is laughing at my middle name. Omondi means the early one. I rise to support the motion and I make a prayer that the Clerk's office would facilitate us since we are adjourning today. I have information that there are other committees travelling to Mombasa and others to Eldoret. They facilitate with signing of imprests so that members could do it and not come back tomorrow to sign imprests. I beg to support.

For those who will be in Eldoret, please remember that Kisumu is not far from Eldoret in the event that you miss a place to sleep. Thank you, Hon. Speaker.

Hon. Deputy Speaker: Thank you. Hon. Kennedy Odhiambo Oyugi.

Hon. Kennedy Oyugi: Thank you, Mr. Speaker. I rise to support as has been done by most members. I want to passionately appeal to the House Business Committee in regards to responses. In a number of occasions, the House Business Committee has slotted responses but when we come here---

(Several members walked out of the Assembly)

Hon. Deputy Speaker: Hon. Members, we have a serious business to discuss and so nobody should go out. Serjeant at arms, let nobody go out, unless those who are coming in! Hon. Oyugi, proceed.

Hon. Kennedy Oyugi: Thank you, Mr. Speaker. My appeal was to the House Business Committee to treat some responses as urgent. For example, Hon. Ayot asked a question regarding a broken bridge that cut across Laini Saba and Lindi Road. If you keep on suspending time for responses, then you are hurting us. I urge the House Business Committee not to delay more of these responses. Thank you.

Hon. Deputy Speaker: Finally, Hon. Kados.

Hon. Paul Kados: Thank you Hon. Speaker. I rise to support this motion and remind my brother Hon. Ndonji that I am the one who started the county football team that involved councilors, now referred to as MCAs. I was the team captain and later left it to Hon. Mbatia. He can attest that I am a sports person. I

want to support and request the County to introduce sports such as ajua for the old and ask the young sports men and women to become voters. Thank you.

Hon. Deputy Speaker: Mover, Hon. Elias Otieno?

Hon. Elias Otieno: Thank you, Mr. Speaker. I know that Hon. Kados and Mofire are going to be in the cheering squad at the games and so they should not put me in their league. I am a footballer who plays number nine and 11 and if given the opportunity, I will perform very well. I thank all members for accepting the adjournment today and give a warning to members that they should not be seen in Nairobi when they are expected to be in Eldoret. I also know that some two or three beautiful women named Pinna Nyambura, Doris and Beatrice are playing this game. Mr. Speaker, can I repeat what I have just said.

Hon. Deputy Speaker: No.

Hon. Elias Otieno: It is okay if you heard what I said.

Hon. Deputy Speaker: Let us not take that route.

Hon. Elias Otieno: Mr. Speaker, let those people go to Eldoret and if they do not attend and miss their per diem, then they should not blame anyone. I beg that you do not allow anyone to walk out the door because we have a very important business to transact. Thank you

Hon. Deputy Speaker: I already gave the communication

(Question put and agreed to)

Hon. Deputy Speaker: Next order!

REDUCTION OF PUBLICATION PERIOD

Hon. Elias Otieno: THAT, notwithstanding the provisions of Standing Order 127, this Assembly resolves to reduce the publication period of the Nairobi City County Appropriation Bill 2019 (Assembly Bill No. 8 of 2019) from seven (7) days to one (1) day.

Mr. Speaker, I call upon the Chairman of Budget Committee, Mr. Nice, to second the motion.

Hon. Deputy Speaker: Do we have Mr. Nice around?

Hon. Elias Otieno: Just call out the name and he will appear.

Hon. Deputy Speaker: I can't see him here, so kindly refer to him with his correct names.

Hon. Elias Otieno: Robert Mbatia

Hon. Robert Mbatia: I second.

(Question proposed)

Hon. Deputy Speaker: Hon. Kevin Macharia Mugambi

Hon. Mark Mugambi: Thank you Mr. Speaker, I rise to support this and request all the persons taking part in the different disciplines to kindly---

Hon. Deputy Speaker: You are debating a different motion my brother. Hon. Osman Adow Ibrahim.

Hon. Osman Adow: Thank you, Mr. Speaker sir, even though I never requested. I do support the motion and remind my Minority Leader that I did not understand his statement that no one should walk out, but only walk in

(Laughter)

Hon. Deputy Speaker: Mover?

Hon. Elias Otieno: Thank you, Mr. Speaker, he has supported the motion and I do not mind it. People who went to Canada are not 100 percent and that is why his friend Miguna is not in Kenya today. We will deport him back very soon. Thank you, members for staying longer than usual.

(Question put and agreed to)

Hon. Deputy Speaker: Proceed.

BILLS

First Reading

THE NAIROBI CITY COUNTY APPROPRIATION BILL (ASSEMBLY BILL NO. 8 OF 2019)

(Order for First Reading read accordingly)

Second Readings

THE NAIROBI CITY COUNTY APPROPRIATION BILL (ASSEMBLY BILL NO. 8 OF 2019)

Hon. Deputy Speaker: Chair, Budget?

Hon. Robert Mbatia: Mr. Speaker, I beg that the Nairobi City County Appropriation Bill, 2019, be read a second time.

Mr. Speaker, once in each year, the County Assembly is called upon to consider and approve the estimates of revenues and expenditure not only as a statutory duty but as gatekeepers of the county public purse.

Mr. Speaker, on Wednesday the 26th June 2019, this County Assembly approved the annual estimates for the Financial Year 2019/20 totaling to Kshs. 35.28 billion consisting of Kshs.24.29 billion for recurrent expenditure and Kshs. 10.99 billion for development expenditure. In the approved budget, the County Assembly had been granted a total resource envelope of Kshs. 3.2 billion consisting of Kshs.1.67 billion for recurrent and Kshs.1.53 billion for development expenditure. The approvals for votes under the county executive were meant to guarantee efficient delivery of services on critical areas of garbage collection, implementation WDF projects, rolling out disaster mitigating measures, settling of pending legal fees, purchase of vehicles for various sectors and making the county visible at the devolved unit among others.

Mr. Speaker, on the 27th June 2019, the county considered and approved a motion on vote account which granted the authority to the county government to withdraw from the county revenue funds amounts not exceeding Kshs. 8.7 billion made up in the manner set out on the vote of accounts schedule laid before the county Assembly. The approval granted was only meant for the purpose of meeting expenditure necessary to carry out the services of the Nairobi City County and the County Assembly during the financial year ending June 30th, 2020.

Mr. Speaker, the passage on the vote on account had been occasioned by the delay of the National Assembly and the Senate to agree on and pass the division of revenue bill and the count allocation of revenue

bill which are very critical legislations as they determine county equitable share of revenues conditional allocations and the recurrent ceilings for the County Assembly. Without these laws, the County Assembly will be engaging in guesswork if it purported to appropriate sums whereas amounts meant to fund more than half of the budget had not been agreed on.

Mr. Speaker, this was an important middle ground that granted the county departments authority to spend amount not exceeding Kshs. 8.7 billion or 25% of the amounts contained in the tabled estimates as required by provisions of section 134 (2) (b) of the PFM Act 2012. In this approval, there was no authority granted for expenditure on development activities.

Mr. Speaker, parliament having passed both the division of revenue bill and the county allocation of revenue bill, we have thus far been assented by His Excellency the President, the appropriation bill has therefore been submitted to provide legal basis for expenditure of amounts appropriated in the approved estimates for the financial year 2019/20. However, given that the estimates were approved before the above bills were passed by parliament, the figures contained therein especially on the revenue side of the budget are statistically different and the committee shall be recommending that the necessary adjustments be made on the approved budget.

Mr. Speaker, in summary, as I finalize the adjustments, the need to align the county budget to the changing circumstances arising from the late passage of the relevant legislations of vertical allocation of resources from the national exchequer, the bill has made a number of amendments to the approved budget of the financial year 2019/20.

Mr. Speaker, on the revenue side of the budget, members may recall that this County Assembly approved a total resource envelop of Kshs 35.28 billion consisting of 16.5 billion as equitable share of revenues Kshs. 767 million as conditional grants and Kshs 17.3 as internal resource allocation. However, following the approval of the county allocation revenue act (KARA), the allocation for equitable share is projected to fall by Kshs 580 million. KDSP to fall by Kshs 17.98 million and bank balances brought forward from the previous financial year standing at Kshs 1.88 billion. At the same time, the county did not receive Kshs. 415 meant for road maintenance for financial year 2018/19 due to non-fulfilment of conditions that were given and the amounts have been included for use in the current financial year. Overall, therefore, the total revenues available are projected to increase by Kshs 1.68 billion compared to the approved budget for the financial year 2019/20.

On the expenditure side of the budget, the approved budget had projected that to meet the recurrent expenses for the county assembly, there would be a total resource requirement of Kshs 1.67 billion. However, the county allocation of revenue act has granted the County Assembly a total recurrent ceiling of Kshs. 1.4 billion being a deficit of Kshs 261 million. The bill has therefore rationalized downwards the allocation to the county Assembly by 261 million with part of the amount transferred to the County Executive demarcated to support legislative engagements between the two arms of the government.

Further, the budget has been rationalized under the salaries component by scrapping thereof the provision for collective bargaining agreement (CBA) which had originally been allocated Kshs 689 million. Recruitment for new employees' allocation reduced by Kshs 313 million. Allocation for other recurrent reduced by Kshs 2.8 billion to make provision of amounts owed to KRA as pending statutory deductions.

On development, there has been enhanced allocation of Kshs 298 million to cater for increased creditors at Kshs 268 million and appropriations in aid under polytechnics at Kshs 30.6 million.

Overall, the budget is expected to balance at Kshs 36.98 billion with Kshs 11.29 billion or 31% being earmarked for development activities.

Mr. Speaker, in my recommendation, having reviewed the Appropriation Bill 2019, the committee recommends that the following adjustments be made in the approved budget for the financial year 2019/2020.

1. That the adjustments on the overall budget be approved as in schedule 1;
2. That in line with number 1 above, the recurrent budget for domestic travel for respective sectors be rationalized to provide indicated amounts for county executive to county assembly engagement as contained in schedule 2;
3. That resources for engagement between finance, budget and appropriation and the county executive on budget matters be domiciled in the county treasury;
4. That projects in schedule 3 attached to this report be approved and implemented in the financial year 2019/20.

Hon. Speaker, I beg to move this and request the Leader of Minority to second me. Thank you.

Hon. Elias Otieno: Mr. Speaker, if you check the list, I am no. 16. I don't know how he came up with no. 19. So, I beg to second.

(Question proposed)

Hon. Deputy Speaker: Mover.

Hon. Robert Mbatia: Thank you Mr. Speaker. I want to thank the entire Assembly and your office for the support that you have given us to get through this despite the short period. It is evident that the county is almost stalling to a halt because of the vote on account expenditures. This should be an indicator to the members of the Executive of the goodwill that we are extending to them. We are shortening the period. We are passing this bill and they should extend the same to us the goodwill that we are extending to them by rolling out the projects in our wards very fast. I also want to thank our budget office which has worked tirelessly to have this document in place.

Mr. Speaker, my humble request to your office is that, recently we have benchmarked with other counties and other countries and we have seen that for an assembly to be effective, especially the budget making in assemblies and parliaments, they must have a fully functional Budget office. So, I would request that this time round, we have a fully furnished, functional budget office. Thank you. I beg to reply.
