RESUMPTION OF PLENARY SITTINGS AFTER SHORT RECESS

Hon. Temporary Deputy Speaker: Hon. Members, I have the following communication to make:

As you are all ware, today we are resuming from the short recess following the adjournment at the sitting held on 1st July 2021 in accordance with the Assembly calendar.

It is therefore my hope that you had adequate time with your families and engagements with the electorates. Therefore, we are all welcome back.

Hon. Members indeed, while the plenary was halted because of the recess, Assembly committees' business proceeded uninterrupted. There are a number of legislative business that are pending before committees including Bills, Statements, Petitions and Reports on various legislative items. I call upon the Chairpersons of the various committees to ensure that such business is concluded and procedurally brought to the attention of the Assembly for consideration. As such, I direct the Chairperson of Committees to marshal committee chairpersons in line with the foregoing directive.
