COMMUNICATION FROM THE CHAIR

WELCOMING MEMBERS FROM THE RECESS

Hon. Members, I have the following communications to make.

Hon. Members as you all may be aware, today we are resuming from the short recess following the adjournment at the Sitting held on 5th August 2021 in accordance with the Assembly Calendar. It is therefore my hope that you had a good break and had an adequate and fruitful engagement with your constituents.

Hon. Members, by way of reminder, we are living in extra-ordinary legislative moments where institutions and indeed the mode of transaction of legislative business has had to be modified because of the persisting and morphing Coronavirus. However, given the guidelines issued by the Ministry of Health, we are able to adjust our model and infrastructure for the purpose of business continuity. I urge you all to constantly observe the containment measures in line with the guidelines by the Ministry.

Notably, the Committees have continued to perform their respective mandates and I want to call upon the Chairpersons to expedite whatever business is at various stages in the Committees and bring them up to the Assembly for consideration. Hon. Members, I am also aware that the Assembly Business Committee has lined up various businesses for consideration in the Plenary. As the Chair, we undertake to seamless and timely transmission of the said business for consideration.
