9. **\*.MOTION – HON. SILAS MATARA, MCA**

**THAT**, aware that the National Government's Youth Volunteer Programme has been instrumental in creating opportunities for young people across the Country and Nairobi County to engage themselves meaningfully in Nation building while earning an income; **NOTING** that whereas the Youth Volunteer Program is changing lives, more needs to be done by other stakeholders such as County Governments to support the National Government initiative to realize its true potential; **DEEPLY CONCERNED** that Nairobi City County has perhaps one of the highest populations of young graduates and that the National Government Program cannot absorb all qualified youths into the Program; **RECOGNIZING** that support from the Nairobi County Government in coordination with the

National Government, where the Nairobi County Government similarly identifies and or creates opportunities for internship and volunteering for young people and avails the same to them yearly carries the potential to greatly worsen youth unemployment in the City and its attendant ills over the long run; this **ASSEMBLY URGES** the County Executive to explore mechanisms for the establishment of a Nairobi City County Youth internship and Volunteer Program.

### **A. MOTION – HON. PETER IMWATOK, MCA**

**THAT**, aware that Nairobi City County as the seat of the Country has been on a steady decline over the last two decades, as evidenced by failing infrastructure and crucial public amenities; **DEEPLY CONCERNED** that most of the development that has taken place in Nairobi over the last two decades has been unplanned and some developers, both residential and business, have failed to take cognizance of laid out City plans by subsequent city administrations, including the newly established County Governments; **REGRETTING** that the result of the foregoing is the evolving chaos that now characterizes life in the City; **REALIZING** that if nothing is done this steady decline spells doom for the Country as a whole, given that Nairobi County contributes roughly 60% of the Republic's **GDP**; **APPRECIATING** that the County Government of Nairobi in conjunction with the National Government has embarked on an ambitious program for the rebuilding of the City known as the Nairobi Regeneration Program; **NOTING** that the program kicked off with the creation of a multiagency taskforce, co-chaired by Governor Mike Sonko and Tourism Cabinet Secretary Najib Balala, and comprising of officers from both levels of government as well as stakeholders who made a commitment to restore Nairobi to its former glory; **FURTHER APPRECIATING** that this program carries great potential for the restoration of the City to global standards; this Assembly **RESOLVES** to fully support the efforts of the National Government to rejuvenate Nairobi City and will take any legislative or policy measures to make that possible when called upon.
