### **A. MOTION – HON. KABIRO MBUGUA, MCA**

***Subject: a policy on Ombudsman in the County***

**THAT**, aware that the Constitution of Kenya (2010) grants the citizens of this republic comprehensive rights and fundamental freedoms; **further** aware that all over the world governments are established by society in order to deliver public goods, works and services and to administer policies and laws that are necessary and beneficial to society, where the government is required to provide one form or other of public service in order for the rights and/or liberties contained in the Bill of Rights to be realized; and to develop policies, laws and institutions, or undertake programmes to promote, protect or fulfil these Rights; **concerned** that recent years have witnessed increased cases of arbitrary arrests, harassment and extortions of traders and other members of the public by the City Inspectorate and Revenue Collection Employees thus infringing on rights and fundamental freedoms of the residents; **further concerned** that some of the officers who engage in such heartless acts do not face the full force of the law due to lack of effective complaints handling mechanisms in the County; **noting** that huge loss of revenue has been incurred by the County Government due to extortions by such employees at the expense to service delivery to residents of the County; **acknowledging** that effective complaints handling is a crucial part of quality service delivery in any institution as it helps identify weak areas and create the motivation for continual improvement, provides an opportunity for the organisation to understand its customers and ensure that the issues they raise are quickly resolved, improves the reputation and image of the institution and provide management with information on how its staff treat customers, thus promoting accountability for both the institution and its staff; this Assembly urges the County Executive to development a policy that provides for the establishment of the office of County Ombudsman to receive and process complaints with a view to fostering a performance-oriented culture that seeks to revamp the process through which the County Government operates, in order to increase efficiency and effectiveness, and to inculcate a culture of client-oriented, mission-driven, and quality-enhanced management in the County.
