Subject: Renaming of Nairobi City Stadium

THAT, aware that Chapter Four of the Constitution 2010 provides for the Bill of Rights which is an integral part of Kenya's Democratic state and is the framework for social, economic and cultural policies; further aware that the purpose of recognizing and protecting human rights and fundamental freedoms is to preserve the dignity of individuals and communities and to promote social justice and the realization of the potentials of all human beings; acknowledging that the Country has since independence named and renamed streets, roads among other public places to honour heroes and heroines who have contributed immensely to the development of the Republic; noting that the naming of public places after heroes and heroines bestows honor and shows gratitude; deeply concerned that there are heroines and heroes who haven't had similar honors bestowed upon them despite their immense contributions to this Country, this Assembly resolves that the Nairobi County Executive rename the Nairobi City Stadium

to Joe Kadenge Stadium in honour of the football icon Mr. Joe Kadenge who was regarded as the finest footballer to ever grace the Country's football scene as evident in his valiant efforts in guiding Harambee Stars to win the inaugural East and Central Africa Challenge Cup.

NOTICE PAPER I

Tentative business for Wednesday, 30th October, 2019

(Published pursuant to Standing Order 39(1))

IT IS NOTIFIED that the Select Committee on Assembly Business, at its last meeting, approved the following ***tentative*** business to appear in the Order Paper for Wednesday, 30th October, 2019: -

A. *MOTION – HON. MARGARET MBOTE, MCA

Subject: A policy for rehabilitation of street families/children & Construction of proposed Rehabilitation Centre in Ruai

THAT, aware that the problem of street children/families is not limited only to the Third World where there are hundreds of thousands of children running away from home and living on the streets across the world, which has become a pandemic problem for many governments in the World; **further aware** that of recent years the problem of street children/families in the Nairobi City has increased thereby affecting business in the city Centre; noting that this problem had turned into a social nightmare with more street children/families invading major streets within the Central Business District (CBD); **concerned** that these street children/families are now extorting money from innocent pedestrians and motorists through intimidation and threats of use of human waste, some of them come up with all sorts of tricks, ranging from having sick children or people suffering from a terrible disease accompany them; **further concerned** that below the veneer of a dirty street person is a well calculated and thriving drug and alcohol business where the street people are used as mules to transport drugs and alcohol from one point to another, worse are the peddlers who sell drugs to the street people on credit to permanently keep them hooked and in debt, leading to a vicious cycle of petty thieving to sustain the habit; **acknowledging** the effort by the County government to bring sanity in the Central Business District by launching an operation to flush out street families from the C.B.D, this Assembly urges the County Executive to:-

- i. develop a comprehensive policy with programmes for the rehabilitation of street children/families, to regulate homes catering for street families with institutional system that identifies, assesses and classifies street families and to solve the issue of homeless people in County;
- ii. complete the construction of the Ruai Rehabilitation centre for rehabilitation of street families/children; and
- iii. integrate street children in existing children's homes
