8. *. **MOTION** – (Hon. Ronald Milare, MCA)

THAT, aware that the functions of public entertainment and public amenities including liquor controlling, county recreation facilities and sports activities and facilities are vested to County Governments pursuant to paragraph 4 of Part Two of the Fourth schedule to the Constitution of Kenya; further aware that the National Government has banned weekend and holiday tuitions in schools; concerned that millions of school children are on holiday without any recreational facilities available to them, which makes them vulnerable to unintended exposure including drug and alcohol abuse; noting that over 2.2 million Kenyans are susceptible to alcohol and drugs; noting that used and poorly disposed alcoholic drinks containers are a principle source of alcohol abuse by youth; acknowledging that the National Government has several agencies such as National Authority for Campaign against Alcohol and Drug Abuse (NACADA) which is designated to coordinate implementation of various regulatory mechanisms; this Assembly urges the County Government;

- i. in conjunction with NACADA, parents, teachers and well-wishers to immediately prepare affordable holiday camps for school children in educational facilities within the County and ensure adequate facilitation and security; and
- ii. to institute collection and appropriate disposal measures of all used alcoholic drinks containers.

9. * **MOTION** – (Hon. Maurice Otieno Gari, MCA)

THAT, aware that the Department of Planning and Housing of the Nairobi City County has time and again been on the limelight for long standing corruption and inefficiency; **deeply concerned** that the aforesaid malfeasance within the Department has often led to disasters where Nairobi residents have lost their lives for instance to unscrupulous, substandard buildings and construction works approved by the Department, including approval of construction works on river beds and riparian lands across the City that recently led to a flooding disaster in various estates; **noting** that even with such blatant failure, no one has been held responsible to date for the endless disasters that bedevil the City thanks to corruption within the planning Department that fuels approval of substandard and illegal construction works; realizing that if nothing is done urgently to revamp the Department the City risks continuing needless loss of lives through avoidable disasters occasioned by corrupt practices within the Department; this Assembly **resolves** that the Governor comprehensively overhauls the Department of Planning and Housing with a view to stemming endemic corruption and building a reliable entity that can better plan and organize the City.

NOTICEI. **Assembly resolved on Thursday, February 19, 2015 as follows:-**

THAT, notwithstanding the provisions of Standing Order 94(4), this Assembly orders that, each speech in a debate on any **Motion**, including a Special motion be limited in the following manner:- A maximum of three hours with not more than twenty (20) minutes for the Mover and ten (10) minutes for each other Member speaking, except the Leader of the Majority Party and the Leader of the Minority Party, who shall be limited to a maximum of fifteen (15) minutes each, and that ten (10) minutes before the expiry of the time, the Mover shall be called upon to reply; and that priority in speaking be accorded to the Leader of the Majority Party, the Leader of the Minority Party and the Chairperson of the relevant Sectoral Committee, in that Order.
