THAT, aware that Sub-Article 41 (1) of the Constitution of Kenya 2010 states that every person has the right to fair labour practices; further aware that Sub-Article 41 (2) of the Constitution state that every worker has the right to fair remuneration; acknowledging that most of the officers who served in the defunct Nairobi City Council were retained by the County government for their dedicated and splendid work towards the betterment of Nairobi City County; concerned that some of the officers who retired after working for more than thirty (30) years have not been recognized for their outstanding performance in the public service in the County, this Assembly urges the County Executive to recognize the efforts of retired officers who performed tremendously in their works by awarding them to show recognition and appreciation for their long years of service in the County.

(Question to be put)

9. *. MOTION – (Hon. Alex O. Otieno, MCA)

THAT, aware that Paragraph twelve (12) of Part two (2) of the Fourth Schedule to the Constitution of Kenya, 2010 devolves the responsibility for firefighting and disaster management to the County Governments, further aware that the County Assembly enacted the Nairobi City County Disaster and Emergency Management Act, 2015 which requires the County Government to put in place adequate measures to respond to disasters such as fire out-breaks whenever they occur, noting that Nairobi City County frequently experience fire disasters especially in the informal settlements, which fires cause considerable property damage and immense suffering to citizens, deeply concerned that most firefighting equipment such as fire engines and personell are stationed within the Central Business District(CBD) thus making it difficult for timely response to fire disasters since the CBD is always congested due to heavy traffic while the informal settlements lack appropriate roads to ensure efficient movement of the fire-engines whenever the fire disasters happen, this Assembly urges the County Executive to decentralise fire-fighting services to the Ward level to ensure timely and effective response to fire disasters whenever they occur.
