8. *. **MOTION** – (Hon. Alex Otieno, MCA)

THAT, aware that the Nairobi City County has the potential to collect revenue upwards of Kshs 4 billion per month as demonstrated by the Governor during a recent breakfast meeting with Members of the County Assembly; noting that the Nairobi County e-payment system, the first cash-light system for a county government in Kenya, is yet to make significant impact due to man-made leakages at collection points; deeply concerned that the continued revenue leakage at various collection points is mostly through theft or inaction by County Employees charged with overseeing collection at those points; recognizing that some employees within the revenue collection chain have overstayed their deployment at specific postings, thus possibly building cartel like networks that protect and promote the leakage and wastage; this Assembly urges the County Executive to transfer with immediate effect employees in the revenue collection chain who have stayed at a posting for at least three years and adopt such practice going forward to prevent the formation of cartel like revenue leakage avenues by County employees.

(Resumption of debate interrupted on Wednesday, 16th March, 2016 at 2.30 pm)
