5. MOTION –by Hon. Silas Matara

THAT, aware that the National Government's Youth Volunteer Programme has been instrumental in creating opportunities for young people across the Country and Nairobi County to engage themselves meaningfully in Nation building while earning an income; NOTING that whereas the Youth Volunteer Program is changing lives, more needs to be done by other stakeholders such as County Governments to support the National Government initiative to realize its true potential; DEEPLY CONCERNED

that Nairobi City County has perhaps one of the highest population of young graduates and that the National Government Program cannot absorb all qualified youths into the Program; RECOGNIZING that support from the Nairobi County Government in coordination with the National Government, where the Nairobi County Government similarly identifies and or creates opportunities for internship and volunteering for young people and avails the same to them yearly carries the potential to greatly worsen youth unemployment in the City and its attendant ills over the long run; this ASSEMBLY URGES the County Executive to explore mechanisms for the establishment of a Nairobi City County Youth internship and Volunteer Program.
