***Subject: Development County Children Welfare Policy***

THAT, aware that the United Nations Convention on the Rights of the Child (UNCRC), is the most complete statement of children's rights ever produced and is the most widely-ratified international human rights treaty in history, ratification which Kenya is party to; noting that the Convention has 54 articles that cover all aspects of a child's life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to and also explains how adults and governments must work together to make sure all children enjoy all their rights; deeply concerned that ensuring child rights in Kenya is still a challenge, 26 years after ratification of the treaty, and efforts by the State to enforce these rights has not been sufficient as evidenced by rampant cases of abuse and neglect; Children Act, 2001 states that it is the duty of local authority, in this case the County Government, to safeguard and promote the right and welfare of children within its jurisdiction; recognizing that if County Governments do not supplement efforts to address Child Rights by National Government the implementation of the UNCRC charter will remain a mirage; Considering the huge mandate that the Nairobi City County has in respect to the Children, this Assembly urges that the County Executive Committee develop of a County Children Welfare Policy to provide for a full-fledged Children's Department to work hand in hand with National Government agencies in ensuring the protection of Child rights, welfare and related concerns within County.

**THAT**, aware that Chapter Four of the Constitution 2010 provides for the Bill of Rights which is an integral part of Kenya's Democratic state and is the framework for social, economic and cultural policies; further aware that the purpose of recognising and protecting human rights and fundamental freedoms is to preserve the dignity of individuals and communities and to promote social justice and the realization of the potentials of all human beings; **recognizing** that several individuals have served the County at various levels with dedication and splendid work towards the betterment of Nairobi City County and its residents; **concerned** that such individuals have not been recognized for their outstanding performance in the public service in the County; **noting** that individuals have upheld the rights of others, serving the community above themselves and contributing to nation building through outstanding service and achievements, this Assembly urges the County Executive to develop a policy that provide for criteria to be used in naming of roads and other County facilities in the County in recognition and appreciation of the extraordinary acts of service made by individuals who performed tremendously in their works not only to the County but to the Country at large.
