(2) Any person convicted for an offence provided for under subsection (1) shall be disqualified from holding any public office.

MEMORANDUM OF OBJECTS AND REASONS

Education as we know it has become a centre stage for knowledge acquisition which is crucial for individual and county development. In this respect, the essence of Polytechnic or home-craft centre education in the development of the nation and indeed the county cannot be over emphasized.

However, the new county governance structures need to address the core problems confronting them to reap the full benefits of polytechnic or home-craft centre education. The current infrastructure, quality of lecturers and leadership needs to be improved at the decentralized level.

A good starting point would be the enactment of a reform and development oriented legislative framework.

The Objective of this Bill is to provide for the establishment, classification, governance and management of County Polytechnic or home-craft centres and Home-Craft Centres: to provide for the registration and administration and for connected purposes.

Part I provides for preliminary matters including interpretation of unique terms used within the Act.

Part II provides for establishment of the county polytechnic or home-craft centres and promotion of vocational training.

Clause 3 grants authority to the Executive Committee Member in charge of education within the county to establish county polytechnic or home-craft centres by publication in the *Kenya Gazette*.

Clause 6 enjoins the Governor to be actively involved in the promotion of establishment of county polytechnic or home-craft centres.

Clause 8 allows for creation of an advisory committee to guide the Executive Committee Member on matters of vocational training.

Part III provides for registration of county polytechnic or home-craft centres.

Clause 11 provides that all applications for registration of county polytechnic or home-craft centres shall be addressed to the County Directorate) of Youth Training with a copy to the County education board.

Clause 13 provides for an avenue of appeal in the event that an applicant is aggrieved by the decision of the Directorate.

Clause 15 allows for the issuance of interim permits to an applicant to operate a polytechnic or home-craft centre pending conclusion of the registration process.

Clause 16 restricts the validity of a county polytechnic or home-craft centre's registration certificate to five (5) years.

Part IV provides for administration of County polytechnic or home-craft centres.

Clause 20 establishes county polytechnic or home-craft centres council as the governing body for public.

Part V provides for financial provisions relating to public County Polytechnic or home-craft centres.

Clause 28 makes it mandatory to first publish the source of any funding (other than an allocation from the county government) donated, granted or lent to a county polytechnic or home-craft centre.

Part VI provides for miscellaneous provisions such as inspection of polytechnic or home-craft centres by the Directorate, such as making of subsidiary legislation by the Executive Committee Member, rules by the County Polytechnic or home-craft centres Council and offences under the Act.

The enactment of this Bill shall occasion additional expenditure of public funds, which shall be provided for in the estimates.

Dated the 26th April, 2021.

SAMUEL NG'ANG'A MWANGI,
Member of the County Assembly.
