

THE NAIROBI CITY COUNTY ASSEMBLY

SECOND ASSEMBLY
(FIFTH SESSION)

COMMUNICATION FROM THE CHAIR

No. 9 of 2021

WELCOMING MEMBERS FROM THE SHORT RECESS

Honourable Members, I have the following communications to make.

Hon. Members as you all may be aware, today we are resuming from the Short Recess following the adjournment at the Sitting held on 18th Thursday March 2021 in accordance with the Assembly Calendar. It is therefore my hope that you had a good Easter break and had adequate time to engage your electorate.

Hon. Members, indeed we are living in extra-ordinary times, particularly with the advent, persistence and variation of the COVID-19 pandemic. Consequently, there have been myriads of developments in the National and County Government institutional operations in response to the containment measures put in place by the Government. Of note is the Fifteenth Presidential Address on COVID-19 read on 26th March 2021, further containment measures were pronounced that affect the ordinary operations of a few County Assemblies, including Nairobi City County Assembly.

Hon. Members, in the said address, the H.E the President directed that the Speakers of the County Assemblies of the Zoned Counties, Nairobi City

County Assembly included, to move and effect the decision for the suspension of the ordinary Sittings in accordance with the Standing Orders.

Consequently, Hon. Members, this morning I have approved the Motion on the Adjournment of the County Assembly in accordance with this directive and in line with the decision of the Select Committee on Assembly Business and which appears on the Supplementary Order Paper of today.

Hon. Members and I thank you.
