## NOTICES OF MOTION

**Hon. Member for Mlango Kubwa Ward** (Mr. Andrew Mbau): Madam Speaker, I wish to read Notice of the following Motion; that aware that the recent years have witnessed increased road accidents with more than 3,000 Kenyans dying annually, noting that a number of accidents in Nairobi City County are caused by handcarts pushed or parked along the roads particularly at night. Deeply concerned that hand carts have no reflectors and often ply on the wrong side of the road which often gets drivers unaware and has been cited as a major cause of unavoidable accidents within the County.

Aware that the County Transport including traffic parking, public road transport is the function of a County Government under part two of the fourth schedule to the Constitution acknowledging that every individual's life is important, this Assembly urges the County Executive to ensure that all handcars within the County are installed with reflectors, their pullers and pushers wear reflectors too and adhere to traffic rules to reduce road carnage within the County.

*(Laughter)*

**Hon. Temporary Speaker:** Proceed

**Hon. Member for Kwa-Reuben** (Mr. Elkana Mauti): Madam Speaker I am on the sentiments of the Chairperson for Ward Development Fund because they promised to table the report today. It is similar to the question asked by Hon. Hashim Kamau and they are saying that they will give a response next Wednesday. How long should we wait?

**Hon. Temporary Speaker:** Hon. Member, I have given them a deadline of next week Wednesday.

**Hon. Elkana Mauti:** That was Hon. Hashim Kamau's statement, what about mine? It was supposed to be tabled today.

**Hon. Temporary Speaker:** Have you tabled?

**Hon. Elkana Mauti:** The Chair for Ward Development Funds was supposed to table it today.

**Hon. Temporary Speaker:** Did you request before for him to have it tabled today?

**Hon. Elkana Mauti:** Yes.

**Hon. Temporary Speaker:** He has requested to be given time till Wednesday. Let's be civil enough and grant him that. We can then know who is not doing things right. There was a Motion that was being tabled by Hon. David Mberia, did he assign anyone to do so? Wee, the Motion will be pushed forward to next week. Next Motion by Hon. Andrew Macharia.

**Hon. Member for Eastleigh North Ward (Mr. Osman Adow):** Madam Speaker. This Motion has been postponed for the third, fourth time now.

**Hon. Temporary Speaker:** Which Motion?

**Hon. Osman Adow:** The one for Mr. David Mberia. He never appears so why don't we just expunge it.

**Hon. Temporary Speaker:** Hon. Members we will inform the Assembly Business committee on this so as to decide on the Motion because I am made to understand that the Member is in Uganda and he did not leave it to anyone to table it on his behalf. I think that is the best way to go.

Hon. Members I now adjourn the House till tomorrow 2:30PM
