Thank you Madam Speaker and I think with the reorganization of the Sectoral Committees they will be vibrant and they will do their work as expected. We need a lot of business coming from these committees Madam Speaker and we will still reorganize the committees again when we see we have unproductive members in those committees we are going to reorganize again. This House is getting better because it is one House with two able leaderships. We have been shown a very good example by H. E the President Madam Speaker, and Rt. Hon. Raila Odinga. They selfishly cut their interests with the interest of Kenyans.

With those few remarks, I ask my able counterpart to second the Motion.

Hon. Elias Otieno: Thank you Madam Speaker and my counterpart because you have recognized the People's President and H.E the President Uhuru Kenyatta, that is the reason why we are in one House today, we can't oppose anything now because we are like one family.

Madam Speaker I think like two months ago you said clearly that we are going to reorganize the committees because that time we gave them out we did not know each other. But it took us around 4 months to know who is to fit in which Committee. So I think these members are going to perform in these committees and more so the Chairmen, don't allow members just to come and sign and go, they should contribute to those committees.

We are also going to put the CEC's on their toes because when we know what we are going to do, it is going to be very good for the Nairobian. Those Committees we are going to see after every 3 months

whether members are performing, if they are not, we are going to reorganize again until we get the right people in those committees. So Madam Speaker I rise to second the Motion. Thank you.

(Question is proposed)

Hon. Speaker: Hon. Leader of Majority, reply.

Hon. Abdi Hassan: Thank you Madam Speaker. I beg to reply.

(Question put and agreed to)

Madam Speaker, today I can see everybody is in the House and they are very friendly, as you can see Hon. Mark Ndungu. We are friendly and we don't hate anybody and also as for me, I can't cross your line and also you don't cross my line. We are leaders and we should respect one another. Hon. Mark Ndungu, I welcome you back and I can see you are smiling in a genuine mood keep it up. Thank you.

I want also to give promise to our NASA brothers, I know they have fewer committees, and as the deal between the two leaders crystallizes I will make sure we share these slots equally so that we can work together as brothers and sisters. With those few remarks I want to ask the House to take the work of this House seriously and the work of the committees seriously.

I ask my counterpart to second the Motion, Madam Speaker

Hon. Elias Otieno: Madam Speaker I just detected a slight mistake in these two Motions of number 16 and 13; in [motion] number 13 if you go to 5 and in Motion 16 you go to 3; Chege Mwaura is in Public Accounts Committee and at same time he is in Budget Committee.

Madam Speaker let me just correct this thing. We know very well the Public Accounts Committee (PAC) always scrutinize the budget. The moment the PAC is going to summon the Budget Committee to answer some charges and you are in Budget Committee and at same time in PAC, there must be conflict of interest. So we must correct this one. I said this thing several times. There is no way you can be in Budget [committee] and at same time you are in PAC. It is either you're in PAC or you're in Budget [committee].

With all due respect to my friend just remain in remain in PAC and give somebody to Budget [committee].

(Loud consultations)

I'm not just quarrelling!

Hon. Abdi Hassan: Thank you Madam Speaker, I just want to inform my colleague and good friend Hon. Otieno that there is no law which will say that a member cannot be in PAC and Budget Committee. As we know the functions of all the committees is to oversight the Executive. That said and done, we will remove my good friend and able Whip from the Committee of Budget and Appropriations and I will put there another member. It was just an information to my colleague.

Hon. Elias Otieno: Thank you. We know PAC always deals with audit and Budget Committee is to make budget for the County. Maybe I don't understand the two committees but it is not that I don't like you but I need to tell you the truth on this floor. Thank you Madam Speaker.

(Laughter)

Hon. Speaker: Ethically you are right!

(Question proposed)

Hon. Abdi Hassan: Thank you Madam Speaker, I beg to reply

(Question put and agreed to)
