In view of the foregoing observation, the Committee was informed that the County was working on a strategy, which will culminate, into the issuance of a three weeks' notice to all owners of such vehicles to remove them on footpaths.

Failure to remove them will lead to the County undertaking a removal exercise by towing them to various yards of the County and at the owners cost. In the event, the owner fails to claim and pay for the towed vehicles the County, will subsequently auction the vehicles as scrap metals without further communication to owners and money forfeited to the County.

Hon. Speaker, Hon. Wanyoike was satisfied with the response, a copy of the detailed response has been given to him, who requested for it, and a further copy is hereby attached to this report. Hon. Speaker, I beg to lay this statement.

The Committee was informed that the sector was making necessary arrangements to construct concrete guard rails to enhance the safety of the users of the bridge.

However, the sector noted that the said road was constructed and maintained by Kenyan Urban Road Authority, (KURA) which the sector would liaise with in order to have the guard rail installation expedited.

However, the sector reported that it is undertaking the following measures to address the issues:

Hon. Peter Wanyoike: Thank you Madam Speaker, the affected area that is Kwa Mbao along the Komarock road, which was affected by, the grounded vehicles. I would like to report to this House that I thank the Committee, so much as the vehicles were removed and now the pedestrians are moving freely without any danger. Hon. Madam Speaker, I am satisfied with that statement. Thank you.

Hon. Madam Speaker, on the second statement, the rails of the bridge along Komarock Road, were vandalized and when we met with the committee, together with the sector, they promised that they would come up with concrete rails to safeguard the danger.

Now that they have promised to put the concrete rails, I urge the committee to follow up with sector so that the concrete rails can be put. Thank you Madam Speaker, I am satisfied with the statement

Hon. Speaker: You are satisfied but you want them to assure you that they will put the concrete rails. You had two statements. Hon. Joyce, had you combined the two statements?

Hon. Joyce Kamau: Yes.

Hon. Speaker: So we are done with that. There was a response for Hon. Njihia also do you have it?

Hon. Joyce Kamau: Madam Speaker I have read the response for Hon. Njihia also.

Hon. Abraham Njihia: Thank you Madam Speaker. It is true that I attended the meeting of the Public Works Committee concerning Rang'iri Road and Jamhuri Amani Court. We agreed with Chief Officer and the CECM that they are going to move to the site but they gave me routine maintenance through the Roads Fuel Levy partnership with the national government and the Nairobi Eastland Generation.

Hon. Speaker, as you can see this was in August and we agreed that they are moving to the site, I can confirm to you up to now I have not seen anything. However, today I met the Clerk of the Public Works and we agreed that he records them by next week Wednesday. Thank you, Hon. Speaker.

Hon. Speaker: Hon. Esther, you have something. You have to stand up because I have no idea what you are saying when you are doing this. There is no Standing Order that does this.

Hon. Esther Nyangweso: Thank you Madam Speaker. I have not pressed the mike.

Hon. Speaker: Hon. Kabiyo, I know you want to---

Hon. Mbugua Kabiyo: Thank you very much Madam Speaker for according me---

Hon. Speaker: Approach the Chair so that I understand what you want to do. On the other hand, are you ready?

Hon. Mbugua Kabiyo: With your guidance, I can approach.

Hon. Speaker: If you are ready, you can proceed but you have to use the standing orders.

Hon. Mbugua Kabiyo: I am ready Madam Speaker.

Hon. Speaker: Proceed.

Hon. Mbugua Kabiyo: Madam Speaker I would like to rise on Standing Order No. 34, I am so sure that the Clerks on this bench are able to advise you well.

Hon. Speaker: Approach the Chair, so that can get you can get this copy and proceed in a procedural manner.

Hon. Mbugua Kabiro: Thank you Madam Speaker. I wish to stand on Standing Order No. 34 because of what has happened today in this great city of Nairobi specific leaders have held a meeting and spoke about this county in a bad light. I would like this House to adjourn its business so that Members can rise and support that we talk about an issue that affects this county; one that is been raised in the streets. Things that would allow Nairobians to understand what is bedeviling Nairobi and how we can seek it. Madam Speaker I would like the House to stand in support for us to discuss a motion that I am giving.

(Point of Order)

Hon. Speaker: Yes, Hon. Imwatok.

Hon. Peter Imwatok: As much as I respect my learned friend, Hon. Kabiro, Standing Order No 34 speaks about a motion of great importance to the county. Standing Order No. 34 (2) stipulates that this motion should be brought before the attention of the Speaker two hours before and in moving the motion, the member should be blatant as it should be. What is this matter of importance? Not just telling the Hon. House that, what has happened today? Today many women in Pumwani Hospital gave birth; today some people succumbed to death at Mbagathi hospital, in Kenyatta Hospital some were taken in after accidents. What is this that the Hon. Member is telling us happened today?

Madam Speaker, some of us are in mosques and churches supplicating our prayers to God to give us peace in this House. What is it that has happened? Has this motion come to the attention of the Speaker two hours before? Because as the opposition side we will want to debate this when the assembly adjourns. But saying what has happened today honestly, today I was having a girlfriend, is that an episode to discuss in this House Madam Speaker?

Hon. Speaker: Hon. Kabiro, can you substantiate properly what happened.

Hon. Mbugua Kabiro: Thank you Madam Speaker I was confused by the fact that you asked me to approach the Chair yet I was very well prepared. I respect my Whip, but I would like to rise on Standing Order No 34 (1), on an issue that there are leaders within the confines of Nairobi who have held a press conference. This is an issue that I had notified you before; regarding the fact that Nairobi is heading in the wrong direction. This is what I would like us to guide and discuss so that we can get direction and say that Nairobi is riding in the right direction.

Members of Parliament and Senators within Nairobi have held a press conference and they have insinuated or rather said that Nairobi City County should be dissolved for not leading in the right direction. Moreover, we as the Hon. Members charged with the responsibility to steer and oversight Nairobi, it is our duty to make sure that they know that it is heading in the right direction.

Madam Speaker, I hope the Hon. Whip has understood my point and I request the House to rise in support of this motion. I hope you now understand.

Hon. Speaker: I think he has explained. I do not know what else we need to understand from this.

(Members stood in their places in support)

Hon. Speaker: What I heard is that the County is to be dissolved. Do you agree with that Hon. Minority Whip?

(Hon. Minority Whip speaks off record)

Hon. Speaker: Order! Press conferences do not solve the problems of Nairobi. Let us come up with solutions. Yes, Hon. Kados

Hon. Paul Kados: Madam Speaker, I listened to--- *(Inaudible)*

Hon. Speaker: Just a minute

Hon. Paul Kados: Madam Speaker, I listened to the press conference but did not hear anything to do with dissolving Nairobi County. If the member heard that, I do not understand because personally, I did not

Hon. Speaker: I will leave that for debate. Let us finalize the business that we have then we can resume that debate. Are we in agreement?

(Silence)

Hon. Speaker: Hon. Members, let us switch to our supplementary order papers. Clerk!

Hon. Frederick Njogu: Thank you, Madam Speaker, I rise to second the motion.

(Question proposed)

Hon. Peter Imwatok: Hon. Speaker, being born in Teso and raised in Makongeni, which is a cosmopolitan ward, I believe that these are committees of the House. I am wondering, why is it that every person who is seconding these motions come from the Jubilee Party? Are they not House committees and should have decorum and respect? These committees will oversight and legislate on behalf of the County Assembly. May I not use the word, 'too tribalistic' but let me say we need to have a handshake. These are House committees but not Jubilee Party committees. If it were Jubilee committees, you would have created your own House and table it there. However, this House of rules and procedures encompasses both the Majority side and Minority side.

Madam Speaker, this is a very pertinent observation. Going this way, it means next time when my leader is tabling names from the Minority side, the Majority side will not be in the House. Therefore, it will be a pointer that whenever they will need this side, we will not be there.

Hon. Speaker: Hon. Minority Whip, I remember giving your member, Hon. Obuya but he said he did not want to deal with it. That was the end. *(Laughing)*

Hon. Peter Imwatok: *(Inaudible)* ---the button on. However, you see it is upon the Leader of Majority to request Hon. Obuya to second. I have no contention whatsoever from this side what the Jubilee Party tables. I also expect when my Minority Leader is tabling the committee names next week, there will be no contention from the Jubilee side, unless there is contention from the Minority side. That is in-house. Stand guided, Majority Leader, we need a national leadership here.

Hon. Speaker: Let them answer for themselves. Hon. Whip.

Hon. June Ndegwa: Madam Speaker, I would like to ask the Minority Whip that even when we were making these discussions, as you can see, the committee that has been reshuffled has the Majority side only. We did not think they wanted to get involved. Now that we are cooking in our house, may the boy child not be provoked. I beg that he seconds all procedural motions that the Majority Leader brings from now

henceforth for him to be calm. Not forgetting that yesterday was his birthday, *atulie tu kidogo*, Madam Speaker. Thanks.

Hon. Peter Imwatok: Madam Speaker, I was not crying for me to second, but I was just saying in the spirit of the handshake. Unless the other side is not in the spirit of the handshake. I wanted us to be a harmonious House that Hon. Jared Okode and Hon. Akama can stand and support so that we can become one House. One unison, one journey and one party.

(Applause)

Hon. Speaker: The mover to reply.

Hon. Millicent Mugadi: Thank you, Madam Speaker, I am happy that the Minority Whip is taking note of what we are tabling on this floor. He is so interested in trying to give us shoulder to lean on. I beg to reply.

Hon. Speaker: In the spirit of the handshake.

(Question put and agreed to)

Hon. Jared Okode: I second.

Hon. Speaker: Mover?

(Question put and agreed to)

MOTION

POLICY TO PROVIDE FOR THE ESTABLISHMENT OF A KITTY TO SUPPORT NEEDY STUDENTS IN POLYTECHNICS

Hon. Speaker: Hon. Oyugi?

Hon. Kennedy Oyugi: Thank you, Madam Speaker. I want to believe that this is a very important motion to the Nairobians. I may be wrong, but if I look at the House, I am seeing that there is no quorum. This motion is very important and I would have loved if there was a quorum. I stand guided before I proceed.

Hon. Speaker: Do you want us to defer?

Hon. Kennedy Oyugi: Order for the bell to be rang so that we get members.

Hon. Speaker: But you know it is your motion. Somebody else needed to have checked for you the quorum.

Hon. Kennedy Oyugi: Madam Speaker, I can proceed.

Hon. Speaker: No, you have already said there is no quorum. You cannot proceed; I want to see whether there is a quorum. Clerk, determine for us if there is a quorum.

QUORUM

Indeed, we are less by 17 members. Serjeant-at-Arms, ring the bell for five minutes so that we can see whether we can get a quorum.

(Quorum bell was rang)

Hon. Speaker: Hon. Oyugi, since you are the one who is the owner of the motion and you have told us there is no quorum, I defer your motion back to the House Business. They will decide the day it will come.

(Motion deferred)

ADJOURNMENT

Hon. Speaker: Hon. Members, since there is lack of quorum, the House stands adjourned to next week, Tuesday 26th November 2019 at 2:30 p.m.

The House rose at 4:18 p.m.
