The Speaker,  
Nairobi City County Assembly,  
Nairobi.

RE: MCAs Development Priorities.

Kindly receive and relay my warm compliments to all the Members of Nairobi City County Assembly. I officially congratulate all the members on their election to the County Assembly and look forward to interacting with them as I give my first address to the County Assembly of Nairobi in the days to come. I am confident in their ability to play a significant role in the transformation of our beloved County.

My role as The Senator of Nairobi, as defined in Article 96 of the constitution is to represent the County of Nairobi and to serve to protect the interest of Nairobi as well as those of its County Government. A great part of this interest is obviously the developmental needs of the people of Nairobi.

I believe that the Members of County Assembly, having been elected at the level closest to the people, have a very clear understanding of the specific developmental needs within their wards. It is my duty to understand these needs and champion this development from both the National and County governments for the benefit of the people of Nairobi.

In light of this, I will need each and every Member of County Assembly, from both the Majority and Minority parties, to list their top 5 development priorities in their respective wards.

Kindly facilitate this to be done within the shortest time possible.

I look forward to working closely with your esteemed office as well as with all the Members of Nairobi City County Assembly.

In the Service of the People of Nairobi,

Sakaja Arthur Johnson, M.P.  
The Senator of Nairobi.
