THAT, aware that the County government is increasingly investing heavily in infrastructural and other major developments, including in its projected development blueprint as detailed in the County Integrated Development Plan; **NOTING** that part of the main focus of these major development projects is the creation of employment opportunities for the youth enabling them to earn a living; **DEEPLY CONCERNED** however that most youths from the localities where these major projects are carried out do not often benefit from the opportunities available with such developments; **RECOGNIZING** that cash-for-work activities and the promotion of youth friendly and income generating micro-projects within such development initiatives carries great potential for alleviating youth unemployment in the City; **OBSERVING** that such major County projects similarly carry the potential for building the capacity of local youths and youth associations to ensure sustainable management of the youth as a resource; **FURTHER OBSERVING** that by such engagement, the local youths are encouraged to continue with maintenance of the community assets beyond the project period; this **ASSEMBLY URGES** the County Executive to put in place measures to ensure local youths within the County's major project areas such as infrastructural developments are prioritized for employment in such projects.
