10. *. MOTION – HON. SILAS MATARA, MCA

THAT, aware that the National Government's Youth Volunteer Programme has been instrumental in creating opportunities for young people across the Country and Nairobi County to engage themselves meaningfully in Nation building while earning an income; **NOTING** that whereas the Youth Volunteer Program is changing lives, more needs to be done by other stakeholders such as County Governments to support the National Government initiative to realize its true potential; **DEEPLY CONCERNED** that Nairobi City County has perhaps one of the highest populations of young graduates and that the National Government Program cannot absorb all qualified youths into the Program; **RECOGNIZING** that support from the Nairobi County Government in coordination with the National Government, where the Nairobi County Government similarly identifies and or creates opportunities for internship and volunteering for young people and avails the same to them yearly carries the potential to greatly worsen youth unemployment in the City and its attendant ills over the long run; this **ASSEMBLY URGES** the County Executive to explore mechanisms for the establishment of a Nairobi City County Youth internship and Volunteer Program.

NOTICE PAPER I

Tentative business for **Wednesday, 2nd May, 2018**

(Published pursuant to Standing Order 39(1))

IT IS NOTIFIED that the Assembly Business Committee, at their last meeting, approved the following *tentative* business to appear in the Order Paper for Wednesday, May 2, 2018:-

A. MOTION – HON. SILAS MATARA, MCA

THAT, aware that access to quality health care is a Constitutional right, however, millions of Nairobi residents still cannot afford to pay for health services at public or private clinics; **FURTHER AWARE** that even with public health insurance available since 1966, only 20% of Kenyans have access to some sort of medical cover and thus access to basic healthcare in Nairobi County is still a challenge to the majority poor and increasingly, the low income earners who struggle to make ends meet and face the demands of the high cost of living; **OBSERVING** that there are considerable differences in distribution of health outcomes, health determinants and resources across counties in Kenya, Nairobi being one of them, hence innovative ways must be found to fill this gap; **BEARING IN MIND** that Counties such as Makueni County have successfully put in place mechanisms to protect the most vulnerable and provide access to basic healthcare for all; **RECOGNIZING** that healthcare inequalities have significant social and economic costs to the extent that they limit people's ability to realize their full potential in terms of participating effectively in community, social, economic and political life; this **ASSEMBLY URGES** the County Executive to explore mechanisms for the establishment of a County Public Health Insurance Policy targeted at protecting the most vulnerable and ensuring access to basic healthcare for the County's uninsured low income residents.

B. MOTION – RESOLUTION TO SEAT ON **THURSDAY, 3RD MAY 2018 AT 10.30AM**

(The Leader of the Majority Party)

THAT, pursuant to the provisions of Standing Order 31 (3) (b), this Assembly resolves to seat on Thursday, 3rd May 2018 at 10.30am.
