business, have failed to take cognizance of laid out City plans by subsequent city administrations, including the newly established County Governments; **REGRETTING** that the result of the foregoing is the evolving chaos that now characterizes life in the City; **REALIZING** that if nothing is done this steady decline spells doom for the Country as a whole, given that Nairobi County contributes roughly 60% of the Republic's GDP; **APPRECIATING** that the County Government of Nairobi in conjunction with the National Government has embarked on an ambitious program for the rebuilding of the City known as the Nairobi Regeneration Program; **NOTING** that the program kicked off with the creation of a multiagency taskforce, co-chaired by Governor Mike Sonko and Tourism Cabinet Secretary Najib Balala, and comprising of officers from both levels of government as well as stakeholders who made a commitment to restore Nairobi to its former glory; **FURTHER APPRECIATING** that this program carries great potential for the restoration of the City to global standards; this Assembly **RESOLVES** to fully support the efforts of the National Government to rejuvenate Nairobi City and will take any legislative or policy measures to make that possible when called upon.
