Subject: A policy that provides for establishment of a kitty to support needy students in polytechnics

THAT, aware that Article 6(2) of the Constitution recognizes that both the National and County governments are distinct and inter-dependent and that devolution is an important principle in the new structure of governance; further aware that the function of village polytechnics is vested in the County Governments pursuant to provisions of Part Two of the Fourth Schedule to the Constitution 2010; acknowledging that there has been increased enrolment in both primary and secondary schools in recent years; concerned that the low number of primary school leavers transiting to secondary school and from secondary school to universities and colleges has become a cause for alarm for both National and County Governments; further concerned that some students especially from informal settlements in the County are unable to proceed with their education due to lack of fees; acknowledging that Technical and Vocational Education and Training (TVET) constitutes a form of

education, training and learning activity that leads to acquisition of practical knowledge, understanding and skills relevant for gainful economic engagement, both formal and informal, this Assembly urges the County Executive to develop a policy that provides for establishment of a kitty to support needy students in Technical and Vocational Education and Training institutions across all Wards in the County.

Subject: Development of virement policy and Regulations

THAT, aware that Section 154 (2) of the Public Finance Management Act, 2012 provides for an accounting officer for a county government entity to reallocate funds between programs, or between Sub-Votes, in the budget for a financial year, only if provisions made in the budget of a program or Sub-Vote are available and are unlikely to be used, a request for the reallocation has been made to the County Treasury explaining the reasons for the reallocation and the County Treasury has approved the request; and the total of all reallocations made to or from a program or Sub-Vote does not exceed ten percent of the total expenditure approved for that program or Sub-Vote for that year; further aware that Section 154 (3) of the Act provides for development of Regulations to be approved by the County Assembly prescribing requirements for the reallocation of funds within Sub-votes or programs; concerned that the County has not developed the regulations to allow for accountability in transfer and reallocation of funds within Sub-votes or programs which has led to loss of unaccountable funds in various Sectors of the County Executive; noting that Section 154 (1) prohibits an accounting officer from authorizing the transfer of an amount that is appropriated to another county government entity or person, for capital expenditure except to defray other capital expenditure, or for wages to non-wage expenditures, this Assembly urges the County Treasury to develop virement policy and regulations pursuant to Section 154 (3) of the Public Finance Management Act, 2012 to provide for mechanism and accountability in transfer of funds within Sub-votes or programs.
