8. *MOTION – Hon. Daniel Nguni, MCA

Subject: establishment of fire hydrant points in the County

THAT, aware that Paragraph twelve (12) of Part two (2) of the Fourth Schedule to the Constitution of Kenya, 2010 devolves the responsibility for firefighting and disaster management to the County Governments, **further aware** that the County Assembly enacted the Nairobi City County Disaster and Emergency Management Act, 2015 which requires the County Government to put in place adequate measures to respond to disasters such as fire out-breaks whenever they occur, **noting** that Nairobi City County frequently experience fire disasters especially in the informal settlements, where fires cause considerable property damage and immense suffering to citizens, **concerned** that most firefighting equipment such as fire engines and personnel are stationed at one point thus making it difficult for timely response to fire disasters since

most roads are typically congested due to heavy traffic; **further concerned** that fire brigades often experience challenges in refilling fire engines due to insufficient hydrant refilling points, this Assembly urges the County Executive to establish fire hydrant points in all Sub-Counties, every zone in the Central Business District and revive the existing ones in the County.
