Subject: Perennial Land Grabbing in the County

THAT, aware that the County has always been experiencing increased cases of land grabbing over the past years, noting the many allegations of Officers at the Planning and Housing Department who work in cahoots with these people in order to acquire land fraudulently or get favoritism to blatantly contravene standard building plans and/ or regulations; **Cognizant** of the fact that corruption continues to mar the transfer process of lands and properties in the County without the knowledge of the residents living on such lands; **further noting** the relevant department of the County Government has continued to remain adamant or complacent to rectify the many anomalies dating back to 2017, giving example of Highridge Clinic that is under construction by a private developer, North Highridge School situated in 6th Parkland Avenue that is allegedly grabbed and Parkland/Highridge Ward whose approval for Ten storey was extended to more than twelve storey building; **deeply concerned** that many residents of Nairobi have abruptly been displaced from their lands and /or

properties as a result of politicians and business elites allegedly giving bribes and engaging in corruption activities; **fully aware** of the laid down building guidelines and the implication of Chapter Six of the Constitution of Kenya, 2010 on Leadership and Integrity and the President's pronouncement in the fight against graft by Public Officers, this Assembly urges the County Executive in liaison with the Nairobi Metropolitan Services to urgently investigate the processes followed in the issuance of building approvals and fraudulent acquisition of lands in the County since 2017 that led to the many contraventions of requisite building and land transfer regulations and issues on residents consultation before transfer of such lands and property.

9. *MOTION – HON. ESTHER WAITHERA CHEGE, MCA

Subject: Gender-based Violence Desks in the Sub-Counties

THAT, aware that Article 28 of the Constitution 2010 specifies that every person has inherent dignity and the right to have that dignity respected and protected; further aware that Article 25 (a) of the Constitution provides for freedom from torture and cruel, inhuman or degrading treatment or punishment; cognizant that every person has the right to freedom and security which includes the right not to be subjected to any form of violence from either public or private sources; further cognizant that international laws and instruments such as Convention of Elimination of all forms Discrimination against Women (CEDAW), UN resolutions 1325 and 1820 deprecate violence against women as it impedes the advancement of women and maintains their subordinate status; noting that Maputo Protocol on the rights of women which states that parties shall adopt and implement appropriate measures to ensure the protection of every woman's right to respect for her dignity and protection of women from all forms of violence, particularly sexual and verbal violence; concerned that there has been an increase in incidences of Gender-Based Violence and Sexual Gender-Based Violence in the County which has been accelerated by the corona virus pandemic that has maimed people lives; further concerned that many such gender-based violence acts have gone unnoticed due to lack of proper reporting mechanisms which has resulted in family break-ups; acknowledging that the County is in the process of enacting a law on the gender-based violence issues, this Assembly urges the County Executive to establish Gender Based Violence Desks and well trained staff at City Hall as the central point and in all the Sub-Counties to provide for post-trauma care facilities for survivors of Sexual and Gender Based Violence (GBV) in the County.
