8. **\*MOTION – HON. MARK THIGA, MCA**

**Subject: *Upgrading of the existing County TVETCs***

**THAT**, aware that Article 6(2) of the Constitution of Kenya 2010 recognizes that both the National and County governments are distinct and inter-dependent and that devolution is an important principle in the current structure of governance; **further aware** that Article 43 of the Constitution provides that every person has the right to education; **cognizant** that the function on village polytechnics and home craft centres is vested in the County Governments pursuant to provisions of paragraph 9 of Part Two of the Fourth Schedule to the Constitution; **acknowledging** that the County Government has eleven (11) Technical, Vocational Education and Training Centres that offers various courses to youths across the County; **further acknowledging** that technical, Vocational Education and Training is supposed to help address the skills gap by providing students with the practical, relevant skills and training they need to succeed in specific careers and offers a more practical, hands-on approach to learning that can be particularly appealing to some students; **concerned** that the County owned Technical, Vocational Education and

Training Centres (TVETCs) are lagging behind in terms of infrastructure, management and technology due to challenges such as inadequate financing, manpower and modern equipment; **noting** that the County Assembly is in the process of enacting a legislation to provide for establishment, promotion, registration, administration and management of technical, vocational education and training centres and home craft centres within the County, this Assembly urges the County Executive to:-

1. upgrade the dilapidated County Technical Vocational Education and Training Centres with the aim of meeting required standards and attracting more youths;
2. provide modern technological equipment including free internet connections to all County Technical Vocational Education and Training Centres;
3. recruit qualified technical instructors for all courses offered at the Centres; and
4. develop advertisement and marketing strategies for courses offered at the Centres for function information awareness.
