walkways, and designated non-motorized transport lanes by motorcycles and other vehicles, compromises public safety, accessibility, and order within the city; **AGITATED THAT**, excessive hooting and the use of loud and modified mufflers by motor vehicles and motorcycles within the CBD has created noise pollution, causing nuisance and disruption to corporate offices, government institutions, learning institutions, and other public spaces; **RECOGNIZING THAT**, the promotion of disciplined road usage, enforcement of traffic regulations, and reduction of noise pollution are critical components of a safe, orderly, and livable urban environment; **APPRECIATING THAT**, effective collaboration between the County Government, the National Government, and relevant agencies is essential in achieving sustainable road safety and urban mobility management; this **ASSEMBLY THEREFORE RESOLVES** that;-

- i) The County Government of Nairobi develops and implements a **comprehensive Road Safety and Urban Order Campaign**, with particular focus on the Central Business District, aimed at promoting safe and orderly coexistence among *Boda boda* motorcycle riders, Public Service Vehicle (PSV) operators, pedestrians and users of non-motorized transport;
- ii) The County Executive, in collaboration with the National Government and its agencies, enforces regulations to **ban unnecessary hooting** within the Central Business District, **Prohibit the use of loud and modified mufflers** by motor vehicles and motorcycles that contribute to excessive noise pollution and establish enforce acceptable noise level standards within urban areas;
- iii) The County Executive develops supportive infrastructure and systems, including; clearly demarcated pedestrian walkways and non-motorized transport lanes and installation of signage on “No Hooting Zones” and noise control areas within the CBD;
- iv) Enforce the 10KPH speed limit within the Central Business District;
- v) Develop more pedestrian crossing areas (Zebra Crossing) and enforce the use of them for the safety of road users; and
- vi) The County Executive to submit a **progress report within six (6) months** to the County Assembly detailing the implementation status of the road safety campaign, compliance levels among road users and reduction in accidents, encroachment cases, and noise pollution levels within the CBD.

9. ***MOTION – HON. THUO FIUNIFIU, MCA**

Subject: *Establishment of a public green crematorium in Nairobi City County.*

THAT, aware that Article 11 of the Constitution of Kenya, 2010 recognizes the country’s cultural diversity and requires public institutions to respect and promote the

traditions, beliefs, and practices of all communities; **FURTHER AWARE THAT** paragraph 2 (f) of the Fourth Schedule of the same Constitution provides for *inter alia* County health services, including, in particular; cemeteries, funeral parlours and crematoria as a county mandate; **ACKNOWLEDGING THAT** rapid urbanization and population growth have increased the demand for burial spaces amidst the growing need for cremation services as an alternative for a dignified funeral process; **APPRECIATING THAT** establishment of a modern public green crematorium for a dignified end-of-life services that promotes efficient land use and support cleaner energy-efficient and low-emission funeral practices; **FURTHER APPRECIATING THAT** establishment of a modern public green crematorium can easily be realized through a Public-Private Partnership (PPP) or other strategic partnerships with faith-based organizations, private investors, charitable institutions, and/or development partners, thereby reducing the financial burden on the County Government while maintaining high standards of environmental protection, public health, and service delivery; **NOW THEREFORE**, this Assembly urges that the Nairobi City County Executive to:-

- i) Undertake a feasibility study on the establishment of a public green crematorium adjacent to Murumbi Peace Memorial Park at City park Goan cemetery;
- ii) Conduct public participation with religious organizations, cultural groups, residents, and other stakeholders on the project;
- iii) Explore PPP and other partnership models for the financing, construction, operation, and maintenance of the facility;
- iv) Develop a policy and operational framework to ensure the crematorium is affordable, environmentally sustainable, energy-efficient, and respectful of Nairobi's cultural and religious diversity; and,
- v) Submit a report to the County Assembly within ninety 90 days on the feasibility, partnership options, implementation roadmap, and budget implications of the proposed project.
