NOTICE PAPER I

**Tentative business for
Tuesday, 28th July, 2026 at 2.30 p.m.**

(Published pursuant to Standing Order 41(1))

IT IS NOTIFIED that the Assembly Business Committee, at its last meeting, approved the following **tentative** business to appear in the Order Paper for Tuesday, 28th July, 2026 at 2.30 p.m.: -

1. *MOTION – HON. ANTONY MARAGU, MCA

Subject: *Restoration of public infrastructure damaged by public and public construction works*

THAT, aware that paragraph 5 (a) of Part II of the Constitution of Kenya provides for County Roads as a function of County Governments and that Paragraph 18 of Part II provides for National roads as a function of National Government; **Further aware** that Section 50 of the Kenya Roads Act, 2007 provides that the owner of a vehicle is liable for damages on a road by reason of vehicle passing over it in contravention of rules made by the relevant authority under the Act; **Noting that** Section 41 (8) of the Nairobi City County Transport Act, 2020 requires that utility companies that have been granted permission to carry out works shall ensure that the road and its facilities are reinstated to appropriate standards; **cognizant that** construction companies carrying out projects on real estate, roads and other sites are bound to use heavy equipment and machinery that use public roads and other public facilities; further cognizant that in executive their works, the mobility of these heavy equipment and machinery cause damage to public roads near the sites since their tonnage may be higher than the roads may tolerate; **deeply concerned** that the resulting poor condition of the road riddled with deep potholes and stagnant water cause profound inconvenience to other road users and accelerated wear and tear to vehicles of reasonable sizes, further, the ambition to reduce time spent on the road during movement of goods and services becomes greatly hampered; further concerned that should this trend be left to persist and National and County regulations unenforced in light of many construction works that are ongoing in the County, many roads that the County and National Governments have spent resources to construct will be left impassible forcing the allocation of fresh resources for their repair and maintenance. Now therefore, in order to curb reckless damage to public infrastructure, especially roads, the Assembly urges the County Executive Committee Member to urgently formulate and submit Regulations to Nairobi City County Transport Act, 2020 to provide for procedures, rules, offenses and sanctions on damage to public infrastructure in the course of any public or private construction works.

2. *MOTION – HON. SAMSON OCHIENG' JERA, MCA

Subject: *Investigation of all public and open spaces irregularly developed in the County by the County Executive in conjunction with National Lands Commission*

AWARE THAT Article 67 of the Constitution of Kenya, 2010 establishes the National Lands Commission with its functions being amongst others to; manage public land on behalf of the National and County Governments; and, to initiate investigations, on its own initiative or on a complaint, into present or historical land injustices, and recommend appropriate redress; **CONCERNED THAT** *public land and open spaces reserved for the development of essential public amenities*

*such as schools, hospitals, markets, recreational facilities and other infrastructure critical for public service delivery has been irregularly allocated, illegally occupied, or developed by private individuals and entities, thereby denying residents access to essential services and impeding the County Government's ability to implement critical development projects; **DEEPLY CONCERNED** that the continued grabbing and encroachment of these parcels of land undermines the urban planning frameworks, violates land use regulations and contributes to the deterioration of service delivery in sectors such as education, healthcare, and sanitation; **NOTING** that the National Land Commission (NLC) is constitutionally mandated to manage public land on behalf of National and County Governments, and is empowered to initiate investigations into historical and current land injustices; **NOW THEREFORE**, this Assembly urges the County Executive in conjunction with National Land Commission to:-*

- i) *Conduct a comprehensive audit and investigation on all public land and open spaces in Nairobi City County that have been irregularly allocated, occupied, or developed in the County;*
- ii) *Publicly share the outcomes of the investigations and table a comprehensive report with recommendations to the relevant National and County Government institutions including the County Assembly for further action; and,*
- iii) *Take appropriate action to reclaim such parcels of land where illegality has been committed either by the Commission or the Courts of Law.*
