THE NAIROBI CITY COUNTY FISCAL STRATEGY PAPER FOR FY 2024/25

MARCH 2024

1.0 PREFACE: NAIROBI CITY COUNTY FISCAL STRATEGY PAPER FOR FY 2024/25

- 1.1** The Constitution of Kenya under Article 220(2) sought for National legislation regarding Counties budgeting requires that the legislation shall prescribe the structure of the development plans and budgets of counties, when the plans and budgets of the counties shall be tabled in the county assemblies; and the form and manner of consultation between the national government and county governments in the process of preparing plans and budgets.
- 1.2** The provisions of Sections 117 (1) of the Public Finance Management Act, 2012 stipulates that the County Treasury shall submit to the County Executive Committee the County Fiscal Strategy Paper for approval and the County Treasury shall submit the approved Fiscal Strategy Paper to the County Assembly, by 28th February of each year.
- 1.3** The provision of the Public Finance Management Act Section 117 (7) stipulates further that not later than 14 days after submitting the County Fiscal Strategy Paper to the County Assembly, the County Assembly shall consider and may adopt it with or without amendments.
- 1.4** The County Fiscal Strategy Paper is a vital document that underpins the county fiscal and budget framework by laying out strategic priorities and fiscal policy – that is what the county plans to do regarding revenue, expenditure and debt management over the medium-term. Importantly, this document sets the sector and program resource ceilings that guide the budget estimates.
- 1.5** In conformance with the provision of Article 196 of the Constitution of Kenya, 2010 which dictates that a County Assembly shall; (a) conduct its business in an open manner, and hold its sittings and those of its Committees, in public; and (b) facilitate public participation and involvement in the legislative and other business of the Assembly and its Committees; the Nairobi City County Assembly undertook a public participation exercise on Thursday 7th March, 2024 in the Sub-Counties.
- 1.6** Highlights contained herein were from the submission by the public during the public participation exercise that was held in the Sub-Counties.
- 1.7** Upon conclusion of the briefing, the participants were grouped into their respective Sub Counties, where they discussed and identified key issues of priorities for consideration in the County Fiscal Strategy Paper.
