Communication with all Stakeholders

The County is committed to ensuring that all its stakeholders are provided with full and timely information about its programmes and performance. They are given an opportunity to give feedback. In this regard, the County Assembly held an all members induction meeting at Nakuru where the different stakeholders were invited for information sharing. This communication is important in ensuring that stakeholder expectations are aligned to the County Assembly's service delivery charter.

The County Assembly also subjected twelve (12) bills through public participation.

Risk management

- Are there effective arrangements for risk management and internal control?

Yes. The County Assembly constituted a Risk Management Committee to co-ordinate and promote Risk Management by ensuring that risk processes, including the identification, assessment and management of Strategic, Compliance, Operational, Financial and Reputational risks are operated efficiently and effectively;

- Are there formal processes to identify and assess risks?

Yes. Identification of new or emerging risks is done to ensure compliance with laws and regulations. The operational risks, which threaten the achievement of the directorate/departmental objectives, are identified, assessed and included in the Risk Register, and they are reviewed regularly and included in the reports to the Risk Management Committee;

- Are there formal processes to analyze risks as a basis for how they should be managed?

Yes. Risks are assessed both quantitatively and qualitatively and measured in terms of impact and likelihood. The value of the risk is calculated by assigning a value to the likelihood (probability) of the risk materializing and a value to the impact of non-achievement of objectives of the Assembly in the event of the risk materializing.

- Are there formal processes to assess changes in the internal and external environments which could give rise to risks?

Yes. The Risk Management Committee holds regular meetings to assess the internal and external environment within the Assembly to ascertain the level of risks, the mitigation measures applied and the strength of the internal controls.

The Internal Audit Department conducts annual risk assessment as an independent measurement of the risks with recommendations to increase the effectiveness of risk management being executed by the Assembly. The objectives were to evaluate;

- Risks identified and analyzed in the period and how they were managed?

The risks identified were assigned specific mitigation measures or actions that reduce either the probability of the risk occurring or the impact of the risk if it occurred or both. The mitigation has shifted the risk return trade off upwards creating room for assuming more risks. (Attached - Risk Register)

Compliance

The County Assembly observes the following laws and regulations;

- I. The Constitution of Kenya 2010**
- II. The County Government Act 2012**
- III. The Public Finance Management Act 2012**
- IV. The Public Procurement and Asset Disposal Act 2015**

- Risks identified and analysed in the period and how they were managed.

Compliance

The entity should identify the relevant laws and regulations that governs it and disclose its compliance to these laws. There should also be a disclosure whether reports emanating from such compliance are prepared and discussed at the relevant levels or other government offices.

4. Foreword By the Clerk of The Assembly

In accordance with the provisions of Section 164 (4) of the Public Finance Management Act, 2012, it is my pleasure to present these Financial Statements of the Nairobi City County Assembly for the year ended 30th June, 2024. The County Assembly is established pursuant to Article 177 of the Constitution of Kenya (2010). Its mandate includes; legislation, oversight, approving plans/programs including the budget estimates and to represent the residents. The current County Assembly is the Third Assembly since devolution under the Constitution of Kenya (2010) and is composed of 124 Hon. Members. The Assembly envisions to be the most efficient, effective and accountable legislature with a mission of advancing good governance through robust legislation, prudent oversight and accountable representation for the people of Nairobi.

In ensuring an effective County Assembly, the law establishes the County Assembly Service Board (CASB) as the statutory entity with a specific mandate of providing services and facilities to Members of the County Assembly. In addition, Section 4 of the County Assembly Services Act, 2017 establishes a County Assembly Service for each County Assembly. The Service offers technical and administrative support to Hon. Members is required to be an institution of exemplary administrative and technical competence.

The Financial Year under review saw the County Assembly fully embark on discharging its mandate after a year of inducting members on their work following the August 2022 general elections. Members have been able to develop legislative proposals that are now are at different stages of enactment into law whose objective as follows:-

- i) The Nairobi City County Climate Change Bill, 2023.
- ii) The Nairobi City County Finance Bill, 2023.
- iii) The Nairobi City County Technical, Vocational Education and Training Bill, 2023.
- iv) The Nairobi City County Early Childhood Development and Education Bill, 2023.
- v) The Nairobi City County Persons with Disabilities (Amendment) Bill 2023.
- vi) The Nairobi City County Civic Education Bill 2023.
- vii) The Nairobi City County Food Safety and Fortification Bill 2023.
- viii) The Nairobi City County Evictions, Resettlement and Demolitions Bill 2023.

The above laws will be instrumental in raising more revenue for the County Government, address effects of climate change, support early childhood development, provide more vocational training opportunities, addresses challenges faced by persons with disabilities, provide mechanism for civil engagement and work towards overall county development.

I must also report that during this period, we have been able to achieve a number of milestones aimed at ensuring an effective Assembly as follows:-

- i) We have been able to adopt a new strategic plan covering the period 2023/24 – 2028/29. A key feature of the plan is to implement performance management as a concept aimed at improving service delivery by officers in the Assembly service. In addition, the plan envisions the construction of an administration block for the County Assembly to provide for a state of the art plenary chamber and offices for both Members and Staff.
- ii) Secondly, during this period, the Service Board has been able to implement various projects such installation of a fire suppression system, installation of a new lift, construction of select Ward Offices and renovated various offices at City Hall for leaders and staff.

The aforementioned programs and projects once implemented would lead to improved performance by staff, improve the working environment for both staff and members of the county assembly and enhance the representative role of members due to working Ward Offices.

In order to eliminate any financial impropriety, we were able to strengthen our procurement process ensuring that we adhere to the procurement plan applicable procurement procedures. We also implemented a corruption free policy with officers involved in financial management sensitized on the need to uphold financial ethics. We also put in place surveillance measures aimed at detecting financial improprieties that may be occasioned by our staff and partners especially suppliers and service providers. Most of the sensitization programs were facilitated by officers from the Ethics and Anti-Corruption Commission (EACC).

Further, the Assembly continued to strengthen its internal mechanisms by retaining a competent service. Further, the Service Board was able to adopt the following policies aimed at improving its process:-

- i) Revised Human Resource Policies and Procedure Manual for The County Assembly Service
- ii) Review of the County Assembly Transport Policy
- iii) Enterprise Risk Management Policy.

Similarly, the Assembly is working towards improving its physical infrastructure in order to improve the working environment for both staff and Hon. Members. Going forward as already mentioned, we plan to acquire an administration bloc that will offer space and accommodate all amenities required by a working Parliament.

However, during the period under review, we experienced various challenges. For instance, during the unprecedented protests held on 25th June, 2024, Assembly properties were vandalized and stolen by protestors who also razed down the entire store. This will require allocation of more resources in order to restore the Assembly in its original state. Similarly, the Assembly still experienced cash flow challenges due to either delayed or lack of exchequer releases. This has led to increase in pending bills and delay or failure in implementation of planned programs.

The County Assembly budget for the FY2023/24 was approved at **Kshs.2.680B** out of which the recurrent budget ceiling stood at **Ksh.2.380B** and **Kshs.300M** for Capital and development. The recurrent budget

County Government of Nairobi

comprised budget for employee emoluments at **Kshs. 1,033,615,811** and the actual expenditure realized was **Kshs. 897,472,012**, use of goods and services was budgeted at **Kshs. 1,158,413,999** and the actual realized was **Kshs. 853,400,059**, acquisition of recurrent assets at **Kshs. 88,976,379** and **Kshs. 157,052,000** for transfers to County Assembly fund account, the actual realization was **Kshs 99,540,000**. Although the County Allocation Revenue Act, 2022 informed the Nairobi City County Assembly's recurrent expenditure ceiling of **Kshs. 2,024,120,608** the County Assembly had pending bills of **Kshs. 450,000,000** rolled over from FY2022/23 that was incorporated in the set estimates to inform a total of **Kshs. 2,380,000,000** recurrent budget.

Finally, I wish to thank all our stakeholders in both the public and private sector for their continued support. Our engagement has ensured that some of the challenges we faced were addressed. We look forward to a continued cooperation. As an institution, we undertake to continue improving on our operations for greater performance of Members and the benefit of the people of Nairobi City.

4. Environmental and Sustainability Reporting

The County Assembly key strategic objective is to adopt and implement modern energy management system in the Assembly and implement modern waste recycling technologies that will lead to sustained environmental friendly process.

6. Corporate Social Responsibility Statement/Sustainability Reporting

Nairobi City County Assembly exists to transform lives. This is our purpose; the driving force behind everything we do. It is what guides us to deliver our strategy, which is founded on Nairobi City County Assembly strategic plan: putting the Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar

a) Sustainability strategy and profile -

The Nairobi City County Assembly is established pursuant to section 176 of the Constitution of Kenya. Article 185(1) of the constitution vests the legislative authority of a County Government on its County Assembly. The main functions of any County Assembly and therefore the Nairobi City County Assembly can be summarized thus;

- a) Legislation
- b) Representation
- c) Oversight

The County Assembly Service Board's objective is to "facilitate the Members of County Assembly to efficiently and effectively fulfil their constitutional functions in a representative system of government by upholding and ensuring the autonomous status of the County Assembly in its corporate relationship with the County Executive and other stakeholders is maintained". To execute the above roles the County Assembly Service Board developed a strategic plan 2016-2020 that is currently under review for the next 7 years 2022-2029.

The strategic plan is anchored on the national economic blue print Vision 2030 and aligned with the County Integrated Development Plan 2012-2027, Annual Development Plan 2023/2024 and County Fiscal strategy Paper 2023/2024. The County Assembly Budget programmes are informed by the mentioned policy documents thus contribution to the Vision 2030 is achieved through its roles that is legislation, oversight participatory representation and appropriation of funds for expenditure.

b) Environmental performance

The County Assembly key strategic objective is to adopt and implement modern energy management system in the Assembly and implement modern waste recycling technologies that will lead to sustained environmental friendly process.

c) Employee welfare

The Nairobi City County Assembly applies the provision of the Kenyan constitution on recruitment of staff particularly Article 24 which stipulates that there shall be no discrimination against any person based on race, sex, pregnancy, age, religion, disability, conscience, social beliefs, ethnicity, culture language or both.

The Nairobi City County Assembly Service Board in the year 2020 approved the new staff establishment. This was in line with the comprehensive 5-year strategic plan 2022-2027. The NCCASB is fully committed to promoting an environment of structured and systematic training, learning and continuing professional development of its entire staff to enable them to perform their duties effectively and efficiently.

In line with the strategic plan, the County Assembly annually prepares a training plan that ensures efficiency and effectiveness to service as it seeks to facilitate career growth among the County Assembly staff. The training plan allocates funds to the training needs as per respective departments and key priority areas while ensuring fairness in the distribution of training resources.

d) Market place practices-

The County Assembly is committed in supporting the anti-corruption efforts of the Government by strengthening its corporate governance and inculcating good ethical business practices among its directors, employees, vendors and business partners. The County Assembly complied with all relevant laws and upheld integrity in the delivery of its mandate. It will continue to establish a culture of openness, trust and integrity in its business practices.

e) Community Engagements-

The office of the Clerk organized for all Members retreat for Parliamentary Procedures and Practices as from 7th – 12th February 2024 and Budget Making Process training as from 17th – 20th June 2024.

7. Statement of Management Responsibility

Sections 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer of a County Government Entity to prepare financial statements in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Clerk of the County Assembly is responsible for the preparation and presentation of the County Assembly's financial statements, which give a true and fair view of the state of affairs of the County Assembly for the year ended June 30, 2024.

This responsibility includes:

- (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Assembly;
- (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud;
- (iv) Safeguarding the assets of the County Assembly;
- (v) Selecting and applying appropriate accounting policies; and
- (vi) Making accounting estimates that are reasonable in the circumstances.

The Clerk accepts responsibility for the County Assembly's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Clerk is of the opinion that the County Assembly's financial statements give a true and fair view of the state of the County Assembly's transactions for the year ended June 30, 2024, and of its financial position as at that date. The Clerk further confirms the completeness of the accounting records maintained for the County Assembly, which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control. The Clerk confirms that the County Assembly has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Assembly's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Clerk confirms that the County Assembly's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The County Assembly's financial statements were approved and signed by the Clerk of the County Assembly on 2024.

REPORT OF THE AUDITOR-GENERAL ON NAIROBI CITY COUNTY ASSEMBLY FOR THE YEAR ENDED 30 JUNE, 2024

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Nairobi City County Assembly set out on pages 1 to 41, which comprise the statement of financial assets and liabilities

Report of the Auditor-General on Nairobi City County Assembly for the year ended 30 June, 2024

as at 30 June, 2024 and the statement of receipts and payments, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Nairobi City County Assembly as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the County Government Act, 2012 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies in the Financial Statements

The statement of financial assets and liabilities reflects accounts payable – money owed to Fund account totalling Kshs.63,137,482. However, records provided revealed an amount of Kshs.83,241,832 as having been borrowed by the County Assembly from the Fund resulting to an unexplained variance of Kshs.20,104,350.

In the circumstances, the accuracy and completeness of the amount owed to the Fund totalling Kshs.63,137,482 could not be confirmed.

2. Unsupported Legal Expenses

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.853,400,059 as disclosed in Note 5 to the financial statements which includes other operating expenses amounting to Kshs.97,715,716, which further includes an amount of Kshs.62,547,421 paid as legal charges to eighteen (18) legal service providers. However, Management did not provide evidence on how the service providers were identified and selected. Further, during the year under review, the County Assembly paid an amount of Kshs.5,298,000 to two (2) private legal service providers who were not in the prequalified list of suppliers. Documentary evidence showing how the legal firms were identified was not provided for review.

In the circumstances, propriety, accuracy and completeness of payment for legal services amounting to Kshs.67,845,421 could not be confirmed.

3. Unsupported Prior Year Adjustments

The statement of financial assets and liabilities and as disclosed in Note 17 to the financial statements reflect prior year adjustments balance of Kshs.329,215,197 and Kshs.257,636,251 for the year 2023/2024 and the comparative year 2022/2023 respectively. The balances include adjustments for bank account balances, imprest and advances, third party deposits/retention, and salary advances. However, there are no

records and documentations in support of these adjustments. Further, the prior year adjustments should only relate to the comparative year.

In the circumstances, the accuracy and existence of the prior adjusted balance of Kshs.329,215,197 could not be confirmed.

4. Pending Payables

Annex 1 and Annex 2 to the financial statements reflects pending payables totaling Kshs.513,949,253 as at 30 June, 2024. The pending payables comprise pending accounts payables of Kshs.302,361,990 and staff payables of Kshs.211,587,263. Nairobi City County Assembly cited liquidity problems due to inadequate provisions as the main reason for failure to settle these pending bills.

In the circumstances, delays in settling pending bills may slow down economic activity and discourage traders and other private parties from doing business with the County Assembly.

The audit was conducted in accordance with International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Nairobi City County Assembly Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Budgetary Control and Performance

The statement of comparison of budget and actual amounts: recurrent and development combined reflects final budget receipts and actual on comparable basis amounts of Kshs.2,680,000,000 and Kshs.2,005,014,296 resulting to an under funding of Kshs.674,985,704 or 25% of the budget. Similarly, the statement reflects final budget expenditure amount of Kshs.2,680,000,000 against actual amount on comparable basis of Kshs.1,994,404,032 resulting to an under expenditure of Kshs.685,595,968 or 26% of the budgeted expenditure. Further, Management has not provided any explanatory notes for material deviations between the final budget and actual on comparable basis exceeding 10% in the statement of comparison of budget and actual amounts as required under Paragraph 24 of the International Public Sector Accounting Standards (IPSAS).

The under-funding and under-utilization affected the planned activities of the Assembly and may have impacted negatively on service delivery to the public.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Matter

Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues or given any explanation for failure to do so, as provided for in the reporting template prescribed by the Public Sector Accounting Standards Board.

Other Information

The Management is responsible for the other information set out on page iii to xxxv which comprise of Key Entity Information and Management, Governance Statement, Forward by the Clerk of the Assembly, Statement of Performance Against Predetermined Objectives, Environmental and Sustainability Reporting, Corporate Social Responsibility Statement/Sustainability Reporting and Statement of Management Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Nairobi City County Assembly financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Receipt of Goods on Expired Local Purchase Order

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.853,400,059 as disclosed in Note 5 to the financial statements which includes an expenditure of Kshs.9,307,569 on routine maintenance – other assets. Review of records provided revealed that goods totalling Kshs.2,380,100 relating to supply and delivery of printer, hansard tools and equipment amounting to Kshs.898,110 and supply and delivery of photography and printing equipment of Kshs.1,482,000 were received by the County Assembly more than ninety (90) days from the date of issue of the Local Purchase Orders contrary to Regulation 52 of the Public Finance Management (County Governments) Regulations, 2015, which provides that a local purchase order or local service order shall be valid for a period of thirty days from the date of issue.

No explanation or authorization was provided by Management as to why the goods were received beyond the thirty days validity of the purchase orders.

In the circumstances, the delivery and payment for the procurement of the items was in breach of the law.

2. Unsupported Procurement of Bulk Short Message Service (SMS)

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.853,400,059 and as disclosed in Note 5 to the financial statements. The amount includes an expenditure of Kshs.1,835,700 on communication, supplies and services which further includes payment of Kshs.200,000 for supply, delivery, installation, configuration and implementation of bulk SMS system. As per the procurement plan, this procurement was reserved for the youth. Request for quotations were made from three (3) companies and the request for quotation forms required the companies to submit a copy of AGPO certificate. However, the award of the tender to a local company was not supported by AGPO certificate.

In the circumstances, Management was in breach of the law.

3. Non-Adherence to the One-Third Basic Salary Rule

Review of a sample of the March and June, 2024 payroll revealed that there were 125 MCAs and 184 County Assembly employees at the close of the financial year. However, it was noted that out of this sample 15 MCAs and 5 Assembly employees had over committed their salaries beyond two thirds (2/3) contrary to the Public Service Commission Human Resource Policies. The excessive deductions resulted from Management allowing the staff to incur loans and other liabilities whose repayments were deducted by check-off and which put the officers at the risk of pecuniary embarrassment.

In the circumstances, Management was in breach of the law.

4. Non-Compliance with Fiscal Responsibility Principles

Note 4 to the financial statements reflects compensation of employee's expenditure of Kshs.897,472,012. The amount represents approximately 46% of the transfers from CRF of Kshs.1,945,015,747 being 11% percentage points over and above the maximum allowed ceiling contrary to Regulation 25(1)(b) of the Public Finance Management (County Government) Regulations 2015 which requires the expenditure set should not exceed thirty-five (35) percent of the county Government's revenue.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effects of the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Incomplete Asset Register

The financial statements at Annex 4 reflects a summary of non-current assets register with a historical cost of Kshs.366, 888,239. However, the assets of Nairobi City County Assembly were not tagged for identification. Further, the register was not updated with additions of loose furniture of Kshs.7,712,000 and floor carpets Kshs.1,120,000, and digital cameras/deluxe accessory kits, hard drive Kshs.1,482,000. This was contrary to Regulation 136(1) of the Public Finance Management (County Government) Regulations, 2015 which prescribes that the Accounting Officer shall be responsible for maintaining a register of assets under his or her control or possession as prescribed by the relevant laws.

In the circumstances, the effectiveness of internal controls on fixed assets could not be confirmed and Management was in breach of the law.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective

processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Assembly's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the County Assembly or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Assembly's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with IFPP will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected

to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

14. Significant Accounting Policies

The Significant accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include third party deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on some classes of receivables and payables as outlined above.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Nairobi City County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Assembly recognizes all receipts from the various sources when the event occurs, and the related cash has been received by the Assembly.

Significant Accounting Policies (Continued)

i) Transfers from the Exchequer/ County Treasury

Transfer from the Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

ii) Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

b) Recognition of payments

The entity recognises all expenses when the event occurs, and the related cash has actually been paid out by the entity.

i) Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

iii) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment. A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

Significant Accounting Policies (Continued)

4. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

5. Third Party Payments

This relates to payments done directly to supplier on behalf of the county governments such as; national government may fund the operation of health or education program, a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the county government is detailed in the notes to this financial statement.

6. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2024, this amounted to **Kshs 10,605,928.20** compared to **Kshs 17,954** in prior period as indicated on note 15. *There were no other restrictions on cash during the year.*

Significant Accounting Policies (Continued)

8. Imprests and Advances

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

9. Third party deposits and retention

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

10. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

11. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

Significant Accounting Policies (Continued)

12. Contingent Liabilities

A contingent liability is:

- a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities. Letters of comfort/ support, insurance, Public Private Partnerships. The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote. Annex 6 of this financial statement is a register of the contingent liabilities in the year.

13. Contingent Assets

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

Significant Accounting Policies (Continued)

14. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Executive's budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on Nairobi for the period 1st July 2023 to 30 June 2024 as required by law. There was one number of supplementary budgets passed in the year. A high-level assessment of the County Executive's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

15. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

16. Subsequent events

Events after submission of the financial year end financial statements to County Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of the County Treasury.

1. Prior Period Adjustment

During the year, errors that have been corrected are disclosed *under note 26* explaining the nature and amounts.

2. Related Party Transactions

Related party means parties are related if one party has the ability to:

a) Control the other party or

b) Exercise significant influence over the other party in making financial and operational decisions, or if the related party entity and another entity are subject to common control.

Related party transaction is a transfer of resources or obligations between related parties regardless of whether a price is charged.

16.0	Unsupported Salary Advances	The four staff members as observed by the auditor had their salary advance requests processed in IFMIS but as at the date of reporting, the amounts had not been paid. The said amounts could not have been included in the financial statements since they are based on IPSAS Cash basis of accounting.	Resolved Administratively; Awaiting discussion by PAC	FY 2024/25
17.0	Budgetary Control and Performance	The County Assembly budget absorption at the end of the financial year was Kshs.1,748,810,398 equivalent to 73% of overall budget. In addition, the County Assembly before the closure of the financial year raised exchequer requisitions amounting to Kshs.450,968,885.54 that constituted of Kshs.293,916,885.54 and Kshs.157,052,000 for operations & maintenance and Motor reimbursement benefits for Members, respectively. These requisitions were not received due insufficient funds in the County Revenue Fund (CRF) account. However, equal amount of Kshs.450,968,885.54 was declared as pending bills for the financial year 2022/23. The under-utilization of the County Assembly budget therefore is attributed to insufficient funding challenges.	Resolved Administratively; Awaiting discussion by PAC	FY 2024/25

		Commission and declaration of wealth and liabilities on first appointment the officers were already registered with the NHIF and NSSF and only submitted their registration number where the assembly deducted and remitted the money as required. The officers were well captured in the IPPD System as per attached payroll data sheets. <i>Annexure 12</i>		
21.0	Non-Remittance of Statutory Deductions	The said deductions for PAYE, NHIF and NSSF were remitted as <i>Annexure 14</i>	Resolved Administratively; Awaiting discussion by PAC	FY 2024/25
22.0	Irregular Payments to Service Providers Using Imprest	The County Assembly engaged government to government services providers for various facilitation services where respective entities nominated staff to come and facilitate the County Assembly and the relevant payment was done using approved payment vouchers.	Resolved Administratively; Awaiting discussion by PAC	FY 2024/25
23.0	Irregularities in Legal Contracts	<p>1. Non-compliance with the law on procurement and administration of legal services</p> <p>The county assembly service has prequalified firms of advocates who offer legal services on need basis in conveyancing, drafting and litigation. In addition, allocation of legal briefs being an administrative process, is always done having considered the nature and urgency of the matter. Which advocates are always chosen from the list of prequalified advocates and issued with instruction letters which spell out the scope and terms of engagement.</p> <p>2. Contract between the Advocate and the Assembly has not been provided</p> <p>The process of contracting an Advocate by the Assembly service is usually through an Instruction letter. In each case before commencement, the County Assembly service through the Office of the Clerk issues an Instruction letter on the scope of engagement with the firm of Advocates. All files requested have Instruction letters which lead to</p>	Resolved Administratively; Awaiting discussion by PAC	FY 2024/25

		<p>filing of either Memorandum of appearance; notice of appointment or notice of change of Advocates as the case may be.</p> <p>3. Termination of services to law firms</p> <p>Whenever a need arises to terminate the services of a Law firm from any particular matter, the Assembly through the office of the clerk always issues an instruction letter to the new firm indicating that the firm should file a notice of change of Advocates and to ensure to serve the other law firm. This notice serves as termination of the firms continued engagement in a specific matter. All this is evidenced in the files where there has been a change of advocates in court. The change of advocates is effected through a Notice of Change of Advocates filed in court. As for the fee notes, they are only paid when raised by the advocates and subject to the availability of funds in that vote.</p> <p>4. Unjustified fee notes provided and paid totaling Kshs. 38,708,640</p> <p>Legal fees are only payable in accordance with the Advocates Remuneration (Amendment) Order 2014 which deals with the costs of proceedings in the various courts and tribunals. It provides that in the exercise of determining remuneration and scale applicable, certain factors are taken into consideration;</p> <ul style="list-style-type: none"> a) The nature and importance of the petition or application, b) The complexity of the matter and the difficulty or novelty of the question raised. c) The amount or value of the subject matter d) The time expended by the advocate. <p>The Remuneration Order in essence guides the minimum fees to be paid to an Advocate. It does not provide for the maximum chargeable fees. As such, whenever a fee note is raised, before paying such fees the provisions of the said Order are usually taken into consideration. Where it may be</p>

		<p>necessary, the County Assembly service informs the Advocates to Scale down such fees. Taxation is usually a measure of last resort whenever the county Assembly does not agree with the Advocate on the fees charged. This is so because, the taxation is not only expensive by having to instruct another law firm to enter appearance but also in some cases the taxing master can uphold the bill as drawn which at times is higher than the amounts negotiated.</p> <p>5.
