THE NAIROBI CITY COUNTY ANNUAL DEVELOPMENT PLAN FOR  
THE FY 2026-27

DECEMBER 2025

## **1.0 PREFACE: NAIROBI CITY COUNTYN ANNUAL DEVELOPMENT PLAN FOR FY 2026/27**

- 1.1** The provisions of Sections 125 (1) (a) and 126 of the Public Finance Management Act, 2012 stipulates that the budget process for county governments in any financial year shall consist of integrated development planning process which shall include both long term and medium-term planning and that the County Executive Committee member responsible for planning shall prepare the development plan in accordance with the format prescribed by regulations respectively.
- 1.2** Section 104 of the County Government Act, 2012 puts the planning obligation for the Counties on each respective County and states that a County Government shall plan for the County and no public funds shall be appropriated outside a planning framework developed by the County Executive Committee and approved by the County Assembly. The Section further provides that the county planning framework shall integrate economic, physical, social, environmental and spatial planning.
- 1.3** The Annual Development Plan (ADP) is a vital document that comprises a one-year development plan of the five-year plan in the approved CIDP. The County Government develops it mainly to guide the annual budgeting process and to facilitate the implementation/monitoring of projects and programmes in each department, sector or sub-sector. The ADP ensures that there is better allocation of scarce resources as captured in the government policy on expenditure prioritization to achieve various sectors goals and objectives.
- 1.4** In adherence to the provision of Article 196 of the Constitution of Kenya, 2010 which dictates that a County Assembly shall conduct its business in an open manner, and hold its sittings and those of its Committees, in public and facilitate public participation and involvement in the legislative and other business of the Assembly and its Committees, the County Assembly of Nairobi undertook a public participation exercise on Tuesday 14<sup>th</sup> and 15<sup>th</sup> October 2025 in all the 17 Sub-Counties in Nairobi County.

**1.5** In particular, highlights contain herein were from the submission by the general public during the public participation exercise that was held in all seventeen (17) Sub-Counties.

**1.6** The members of the public having been guided on the contents of the document under consideration, where they discussed and identified key issues for consideration in the ADP for the upcoming financial year. The subsequent section herein highlights the issues arising from the public participations.

- Pumwani dispensary completed but need to be equipped.
- Rehabilitation of roads and drainage systems.
- Staff capacity building in the ward should incorporate also the Community Health Volunteer Workers.
- Expansion of the existing health facility.
- Expansion sewerage system in the ward.

## **3.0 SUBMISSION OF MEMORANDA**

Hennet a health NGO made proposals to the County Government during the public participation carried out on the Annual Development Plan for the financial year 2026/27. These proposals were;

- Develop and share a comprehensive summary of achievements and challenges in the health sector, provide transparency and accountability for resource allocation and program implementation.
- Clarify the role and responsibilities of community health promoters (CHPs) and health promotions officers (HPOs) and ensure that CHPs receive proper training and support.
- Investigate and provide accountability for the significant shortfall in achieving immunization targets, which left over 450,000 children unvaccinated in Nairobi.
- Ensure transparency and accountability in allocating and procuring vaccines, particularly in light of the significant gap in immunization coverage.
- Address the conflicting responsibilities and resources allocations for gender-based violence (GBV) programs within different departments and ensure clear coordination and accountability.
- Provide detailed reports on the progress and financial management of the health center construction projects, ensuring transparency and accountability in using allocated funds.
- Provide updates on the functionality and distribution of sonography and X-ray machines, ensuring that these essential tools are fully operational and accessible across the county.
- Establish mechanism to ensure that revenue generated through the facility improvement fund (FIF) is reinvested into healthcare services, promoting financial independence for health facilities.
- Ensure timely disbursements for stipends for CHPs, provide refresher training to enhance data accuracy, and support CHPs in making their NHIF contributions.
- Develop a strategic plan to expand and maintain sufficient operational Primary Care Network (PCNs) across Nairobi.
- Intensify efforts to train and certify food personnel and ensure that public health standards are maintained.

#### **4.0 RECOMMENDATION**

Following the public participation exercise that was conducted in all the 17 sub counties it is recommended that;

- The proposal in the various wards submissions above be considered in the annual development plan for the FY 2025-2026 as proposed by the residents.
- Need to conduct civic education prior to any public participation and dissemination of information and materials on time.
- Project that stalled during NMS should be given priority and completed.
- Need to have public documents published in Kiswahili version.
- Need to send the documents under public scrutiny to the sub counties in good time to facilitate humble time for review by the public.
