

NAIROBI CITY COUNTY ASSEMBLY
FIRST ASSEMBLY - SECOND SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 41 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Culture and Community Services regarding perennial flooding and disaster response in the City whenever it rains.

Hon. Speaker, I am aware that this is not the first time a Statement is being sought regarding mitigation measures the County has put in place to deal with disasters such as floods. Unfortunately, the problem keeps recurring since no solid mitigation measures have been put in place to firmly deal with foreseeable disasters such as floods.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Whether the County has sufficient funds for disaster management and their usage over the preceding financial years since 2013;
- ii) What solid measures is the County putting in place to deal with recurrent foreseeable disasters such as floods once and for all; and
- iii) The County's preparedness for disasters in light of recurrent haphazard attempts at mitigation whenever disasters strike.
- iv) Action taken against developers who have encroached on riparian land, causing blockage of rivers and drainage systems.

Hon. June Ndegwa, MCA.
