**REQUEST FOR STATEMENTS**

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Environment and Natural Resources regarding the emptying of raw sewer into Kiu River in Kahawa Ward.

Hon. Speaker, developers along Kiu River between Kamiti road and Northern Bypass have encroached on the river riparian and gone ahead to empty raw sewer into the river thus exposing residents living along the river to a myriad of health hazards including stench. This has further made it difficult for small scale farmers along the river to continue using the water from the river to irrigate their crops.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Measures put in place by the County Executive to stop the developers from polluting the river.
