NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - SECOND SESSION

Officer:
PCA (ChSP)

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45(2)(c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Environment and Natural Resources regarding the dumping of raw human waste in a residential area in Njiru Ward.

Hon. Speaker, cartels in waste management are working in cahoots with unscrupulous officers from the County Executive and this has led to the massive dumping of raw human wastes in an open hole dug right outside a secondary school in a residential area within Njiru Ward.

Hon. Speaker, this uncouth behavior by the cartels is exposing school going students and residents to a myriad of diseases and further making it extremely difficult for the students to concentrate in their studies.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Why the raw human wastes has been dumped on the said place and not taken to Ruai sewer treatment plant;
- ii) What deterrent action has been taken against the people engaged in the uncivilized trade of dumping wastes in this particular hole in the said ward; and
- iii) Measures put in place by the relevant department to address the said precarious health situation faced by the students and residents.

Hon. Mwaura Samora, MCA
MEMBER FOR CLAY CITY WARD
