NAIROBI CITY COUNTY ASSEMBLY  
SECOND ASSEMBLY - SECOND SESSION

---

**REQUEST FOR STATEMENTS**

---

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the poor drainage system in parts of the county and specifically the Viwandani area.

Hon. Speaker, the ongoing rainfall in the country has exposed the poor drainage along Lunga Lunga road and other feeder roads on the lower side of Industrial Area. This has greatly affected the adjacent Viwandani informal settlements as the storm water finds its way into Ngong River.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) What resources are available to the County government that can help in quick response to problems of roads getting over flooded;
- ii) Whether the county government can share the available resources with locals through youth groups so that the most vulnerable communities have capacity to meet the challenges of over flooding;

Hon. David Mbithi, MCA.  
MEMBER FOR VIWANDANI WARD
