NAIROBI CITY COUNTY ASSEMBLY

SECOND ASSEMBLY - SECOND SESSION

~~CA~~  
15/11/18

**REQUEST FOR STATEMENTS**

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request a statement from the Chairperson of the Sectoral Committee on Justice and Legal Affairs regarding the functional operations of the County Inspectorate Department.

Hon. Speaker, the Assembly in June, 2018 passed a Motion aimed at initiating broad and sweeping changes to the operations and management of the City Inspectorate. This followed the enactment of the Nairobi City County Inspectorate Act, 2017, which was expected to review policies and institutional structures of the inspectorate department, efforts which seem to have made no impact in the way the Department works.

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. Whether the Inspectorate Department operates within the strict contours of its mandate as provided for in the Act, and if not, what legal framework guides their functional operations and mandates;
2. Measures the Inspectorate Department has put in place to align its functional operations with the County's strategic direction in terms of its day to day operations;
3. Consequent to passage of the Act, what organizational structures has the Department put in place for effectively discharging its functions and roles; and
4. The total number of seconded staff in the department and the roles performed by each.

Hon. Patrick Karani, MCA  
MEMBER FOR UTAWALA WARD
