

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairpersons of the Sectoral Committee on Roads, Transport and Public Works regarding the inadequate road construction machinery in the county.

Hon. Speaker, there's only one grader serving all the 85 wards of the county, and it's more often than not, broken down or lacking fuel.

Hon. Speaker, sometimes, Members have had to dig into their pockets to fuel the grader when it comes to heir wards and many are times when it's not available when required.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) What measures have been put in place to ensure that more equipment like backhoes are bought to serve the people of Nairobi;
- ii) What is the county executive doing to ensure the equipment operated in the county are mechanically sound, fueled and available?
