

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Water and Sanitation regarding the illegal connection of sewer lines in the County.

Hon. Speaker, Lirona Contractors Ltd was awarded a tender by the County Executive to construct a sewer line in Bidii Area of Kayole North Ward and hand over the project upon completion to the County but in breach of the terms spelt out in the tender awarding agreement, the contractor went ahead and connected the area residents to the sewer line charging them a connection fee, thus denying the County Government of Nairobi revenue.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) What measures have been put in place by the County Executive to ensure that the contractor stops the illegal connection forthwith and the County gets revenue from the said connections;
- ii) Measures put in place by the County Executive to protect Nairobi residents from such contractors;
- iii) Measures put in place to ensure that residents who were disconnected from the water supply line during the construction of the sewer line are reconnected;
- iv) Measures put in place by the County Executive to ensure the contractor repairs the roads and walk ways he dug out while working on the sewer line; and
- v) Measures instituted to ensure that the contractor is held liable for breach of contract.

Hon. Samuel Mwangi, MCA
MEMBER FOR KAYOLE NORTH WARD
