REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the state of roads in the County, specifically, Kileleshwa Ward.

Hon. Speaker, the role infrastructure, especially roads, play in the socio-economic sphere of life cannot be underestimated. Mobility of people, goods and services is at the core of the everyday life of the residents of Nairobi City County, hence the need to have good and motorable roads.

Hon. Speaker, for instance, Kileleshwa is largely a residential estate and mobility for the residents in and out of the estate is important and proper infrastructure is an entitlement the County should not overlook.

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. List of County roads in Kileleshwa Ward and their current status; and
2. Steps being taken by the County Executive to rehabilitate County roads in Kileleshwa Ward in a bid to enhance mobility for the residents.

Hon. Margaret Mbote, MCA
MEMBER FOR MAKONGENI WARD
