

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY -THIRD SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Planning and Housing services regarding the construction of a rehabilitation center in Ruai.

Hon. Speaker, the construction of the Ruai rehabilitation center which started way back in April 2016 is a project funded by the County Government of Nairobi. The construction is still underway but it's not clear whether the developer involved managed to secure ownership documents for the estimated forty-acre land set aside for the construction of the same.

Hon. Speaker., the facility is under the County Government of Nairobi, the works on the facility also includes construction of a perimeter wall around the land but this has not been done.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on: -

- i) Whether the land was surveyed and demarcated in a bid to ensure that it is forty acres as reported;
- ii) Whether the ownership documents for the land on which the project lies have been issued;
- iii) How many acres is currently under the development;
- iv) How much money has been set aside for the construction of the said rehabilitation center;
- v) What the County Government is doing to ensure that the construction of the said center is completed on time.
