REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Education, Early Childhood and Vocational Training regarding the unprocedural allocation of County primary Schools to private owners by the defunct Nairobi City Council.

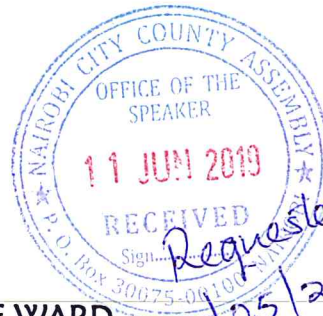

Hon. Speaker, some of the County's Primary Schools were irregularly allocated to private individuals and turned into private learning institutions by the defunct City Council, with no effort being made by subsequent governments, including the County Government to recover these schools, for instance the Kiragu Waichachi Primary School in Kiambu.

The said Public School was irregularly allocated to the former Council for Eastleigh South Ward, Mr. Kiragu Waichachi under unclear circumstances.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

1. Number of County Primary Schools currently held privately or managed privately;
2. The historic unprocedural allocation of County primary Schools to private owners;
3. Measures the County Executive is taking to recover these schools and status of progress towards that end, if any; and
4. Actions taken against individuals who corruptly influenced the transfer of public property to private ownership.
