REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding nonfunctioning of public lights in the County for instance in Laini Saba Ward.

Hon. Speaker, Laini Saba Ward both 20 and 30 feet tall public lights that have not been operational for the last 2 years. Of note is the public light along James Nderi Road which is important for security and business. However, the constant response from the concerned officers has been lack of materials to repair the lights.

Hon. Speaker, inadequate lighting in the ward presents a potential security risk to the people in addition, businesses may not be conducted properly in such circumstances.

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. Why the procurement process is taking longer given the urgency of lighting the wards; and
2. When the residents of Laini Saba can expect the public lights to be repaired and to function.

Cecilia
