REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the efficiency and number of road working machines in Nairobi County.

Hon. Speaker, it is important that we be made aware of the number of road working machines such as graders, rollers, vehicle fleet and their status in the County since efficiency of road working machines save tax payers from excessive taxation and maintenance fee.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on: -

- i) The status of the machines, their lifespan, economic value and availability of spare parts; and
- ii) Measures put in place by the County Executive in ensuring efficiency of the said machines.
