

NAIROBI CITY COUNTY

 NAIROBI CITY COUNTY ASSEMBLY
 SECOND ASSEMBLY - THIRD SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding stalled repair of public lights (*Mulika Mwizi*) in the County, specifically in Zimmerman Ward.

Hon. Speaker, it should be noted that most of the public works in Zimmerman Ward have been out of operation for more than 9 months ago. I have made an attempt to liaise with the County Executive officials from the Department of Roads, Transport and Public Works requesting them to repair the lights but the constant reply is the lack of materials for repair which they indicate are being procured.

Hon. Speaker, it is important to note that lack of public lights in the estates of Zimmerman portends threats to the security of the people and is an impediment to conduct of business in the area.

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. Whether the County has sufficient relevant equipment to carry out repairs of the public lights which are up to 30 meters high;
2. Why the process of procuring the requisite materials for repair of the public lights is taking longer than expected to be concluded; and
3. When the residents of Zimmerman can expect the public lights to be repaired and to function.

Hon. Pius Mbono, MCA
MEMBER FOR ZIMMERMAN WARD
