REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Water and Sanitation regarding the risk posed to residents due to bursting of sewer lines across the City especially in area 1 in Mlango Kubwa Ward.

Hon. Speaker, several cases of overflowing sewer into residential homes have been witnessed which is a health hazard especially children who play with the contaminated water which can lead them to having waterborne diseases causing an outbreak in the City.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on: -

- i) Whether the County has plans put in place for the repair of the worn out sewer lines;
- ii) Measures taken by the County Government to curb such incidences in the County;
