NAIROBI CITY COUNTY

NAIROBI CITY COUNTY ASSEMBLY SECOND ASSEMBLY - THIRD SESSION

REQUEST FOR STATEMENTS

Subject: An enquiry into the construction of Nyando Bridge linking Laini Saba and Lindi Ward

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public works regarding the state and plans for rehabilitation of Nyando Bridge linking Laini Saba and Lindi Ward in Kibra Constituency.

Hon. Speaker, the Nyando Bridge broke down in the year 2016 and the Nairobi City County structural engineers did fabrication works on it. However, in January 2019, the bridge broke down again. Hon. Speaker, the state of Nyando Bridge is in a deplorable state despite the bridge serving thousands of pedestrians plying through Kibra slums every day.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Whether there are any plans for the rehabilitation of Nyando Bridge linking Laini Saba and Lindi Ward;
- ii) If so, when is the county planning to rehabilitate the bridge as the deplorable state of the bridge is affecting many people and businesses;
- iii) What is the plan for rehabilitation and whether it involves construction of a new bridge.
