NAIROBI CITY COUNTY ASSEMBLY

SECOND ASSEMBLY - THIRD SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45(2)(c), I wish to request for a statement from the Chairperson of the Select Committee on County Finance, Budget and Appropriations regarding trends in revenue collection in the County, especially, parking revenues.

Hon. Speaker, it has long been assumed that by increasing the parking fees, the County is bound to collecting high revenues against the baselines. However, this strategy has over time proven to be counter-productive seeing that the collections have been on the decline, especially when parking fees was increased from Ksh. 200 to Ksh. 300. To demonstrate this, in 2014/2015; 2015/2016/2017/2018/2019 the County collected the following in parking revenue was collected Ksh. 2,015,507,070; 2,037,767,804; 1,974,483,404; 1,857,962,082 and 1,933,208,723 respectively.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:

- i) Reasons why the County has in the recently been missing to meet its targets on revenue collection, moreso from parking;
- ii) Measures and strategies that the County has put in place to ensure that revenues, especially in from parking is enhanced in order to meet the targets for the purpose of running the County's development agenda.
