NAIROBI CITY COUNTY ASSEMBLY
 SECOND ASSEMBLY - FOURTH SESSION

REQUEST FOR STATEMENT

Hon. Speaker,

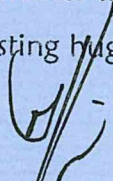

Pursuant to Standing Order 45(2)(c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Labour and Social Welfare regarding the proposed recruitment of County Constables, Fire Fighters and ECDE (Care Givers) in the County.

Hon. Speaker. The Nairobi City County Government advertised for various positions on Wednesday 4th March, 2020 whose implications could jeopardize provision of general services.

Hon. Speaker, whereas we appreciate that the Nairobi City County Government is an equal opportunity employer, amicable and rational decisions are needed to give Capital projects/programmes the much needed focus.

Hon. Speaker. in the statement, the Chairperson should inquire into and report on: -

- i) Whether the County Government has implemented the Capacity Assessment and Rationalization of Public Service Programme (CARPS), an initiative between the National and County Governments to ensure functions were properly structured for efficiency and service delivery;
- ii) Whether the proposed recruitment of more than 1,000 employees is a priority vis a vis the recruitment of Health Workers;
- iii) Whether the intended employment has been budgeted for cognizant of the fact that some key County functions have since been transferred to the National Government; and,
- iv) Whether this recruitment exercise will enhance service delivery to the residents given the existing huge recurrent expenditure and swelling wage bill.

 HON. JOSEPH M. KOMU, MCA.
 MEMBER FOR KAHAWA WARD
