

NAIROBI CITY COUNTY ASSEMBLY  
SECOND ASSEMBLY - FOURTH SESSION

**REQUEST FOR STATEMENTS**

*Subject: Implementation of WDF projects*

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Ward Development Fund regarding the implementation of Ward Development Fund projects in the County.

Hon. Speaker, the Ward Development Act, 2014 provides for a mechanism for identification and submission of priority projects for implementation under the Act. As the representatives of the people in the County Assembly, the Hon. Members are key stakeholders in this process in ensuring that through the oversight function, the projects funding and implementation is efficient, effective and demonstrates value for money.

Hon. Speaker, during the 2020/2021 financial year, projects were submitted to the Management Committee from the Wards, for instance, Loresho Ridge Road. However, a great number of them are yet to be rolled out in the Wards, yet new projects are to be submitted for the current financial year.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Present status report on the status of implementation of projects for FY 2020/2021;
- ii) Reasons for delayed implementation and measures that the Management Committee is putting in place to ensure that projects are completed in time.
