

THE NAIROBI CITY COUNTY ASSEMBLY

SECOND ASSEMBLY

(FOURTH SESSION)

REQUEST FOR STATEMENTS

Subject: Encroachment on County Roads

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Planning and Housing regarding encroachment on County roads by members of the Public.

Hon. Speaker, encroachment by the Public is rampant along Huruma Service Lane 2 that serves Salama primary school, Huruma primary school and Huruma Secondary School. This infringement continue to pose a security threat particularly on the lives of school going children who are many at times waylaid by masqueraders who mushroom along the perimeter wall of the schools to allegedly engage in drug peddling business.

Hon. Speaker, education is key to success and as such, school going children deserve a conducive environment for a better learning.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

- i) A comprehensive report on the security status of the aforementioned schools and its environs vis a vis the alleged drug peddling businesses and surge in criminality;
- ii) Measures being instituted by the Nairobi Metropolitan Service and County Executive to get rid of members of the public who have encroached the perimeter wall of the schools; and,
- iii) Efforts being made by the NMS and County Executive to ensure County roads that have been invaded by members of the public are duly cleared to facilitate pedestrians and motorists.
