

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY – FOURTH SESSION

REQUEST FOR STATEMENTS

Subject: Encroachment onto public land in the County

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Select Committee on Planning and Housing regarding encroachment onto public land in the County, especially in Kitchen, Eastleigh North Ward.

Hon. Speaker, in planning law, a provision is made for guidelines (master plans) on availing public spaces for settlements and communities as a means of ensuring good quality of life for the residents. For instance, Nairobi's 1948 master plan and other subsequent plans had sufficient provisions on public spaces. In these spaces, communities can propose development of social amenities for use by the residents.

Hon. Speaker, Kitchen in Eastleigh Ward is a source of controversy in regards to ownership of the place due to lack of clarity on the same.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

1. Present a report on the current ownership of Kitchen in Eastleigh North Ward and copy of ownership documents; and
2. Measures that the County has put in place to map out and protect public spaces across the County from encroachment and grabbing.
