**REQUEST FOR STATEMENTS**

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding growing number of parking boys and street children in the Central Business District.

Hon. Speaker, there has been concerns on mushroomed street families and parking boys within the Central Business District which have continued to pose security threats through extortion and robbery along popular restaurants in the City.

Hon. Speaker, there is an alleged syndicate of parking boys operating in the morning hours and the evening hours who do not only vandalize private vehicles but also elicit gross disorderliness within the Central Business District that obstructs a tranquil environment for businesses to thrive seamlessly.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

- i) The completion status of rehabilitation center in Ruai that was intended to accommodate street families and give them opportunities for education among other opportunities; and,
- ii) Measures the County Executive and Nairobi Metropolitan Service are putting in place to manage the increased number of park boys and street families within the Central Business District and restore sanity;
